Unexpected Consequences Susanne Watson Epting, 2015-05-01 A critical look at the diaconate in the Episcopal Church Times change and the Order of Deacons in the Episcopal Church has not remained static While the book seeks to update contemporary knowledge about deacons it also shows how the diaconate may be well positioned to lead the church into change that cuts across governance formation and ministry While the institutional church struggles with its structure and purpose working to change its reality and perception the book suggests that there are diaconal leaders who have been working all along for this kind of change The book chronicles ways in which one church order has grown matured adapted adjusted and is as effective as it is because of its dynamic nature It is hoped that other orders might learn from the importance of being adaptable contextual and baptismal while highlighting the primary lens deacons look through as they seek to fulfill what the church has called them to do

Priest of the Church or Priest of a Church? Noel Cox, 2021-03-25 The development of new forms of ministry lay and ordained has included worker priests now found in the Anglican Communion in a related form variously called Self Supporting Ministry SSM or Non Stipendiary Ministry NSM This book focuses on one of the most recent developments the creation of Ordained Local Ministry After chapters that consider preliminary questions of the nature of ministry such as authority in the church and Holy Orders Noel Cox argues that the crucial distinction between these and other forms of ministry is that the Ordained Local Minister OLM is overtly ordained specifically for a given locality variously defined they are a deacon or priest for a specific church parish benefice or deanery rather than of the universal church Their introduction inevitably raises difficult ecclesiological questions which Cox examines

A Spiritual Aeneid Ronald Arbuthnott Knox, 1918 This book is a religious autobiography The matter of it is not original and I thank God the conclusion of it is not original either But so long as minds differ there must always be some difference in the most hackneyed of pilgrimages as the pilgrims compare notes at the Confessio I have tried to avoid all references that could be damaging to anybody but myself if and where I have failed I must take this opportunity to ask forgiveness The publishing of autobiographies by the obscure is always in any case a target for criticism but even obscure things have an interest let us call it an autobiography And before you say self advertisement think what a bad advertisement In explanation of the Aeneid motif which runs through the chapter headings and parts of the book I had perhaps better give the obvious set of symbols Troy is undisturbed and in a sense unreflective religion in most lives it is overthrown either to be rebuilt or to be replaced The Greeks are the doubts that overthrow it The miniature Troy of Helenus is the effort to reconstruct that religion exactly as it was Carthage is any false goal that for a time seems to claim finality And Rome is Rome

The Diaconate James Monroe Barnett, 1995-01-01 This book is a highly readable comprehensive study that has established itself as the definitive work on the diaconate Drawing upon original sources the book provides valuable insights into the development of the office of the deacon in the early church and situates it within the context of the church's total ministry Dr Barnett contends that a radical change in the nature and understanding of the church's ministry took place in the fourth century A ministry that had included the whole people of God in a horizontal

organic structure gave way to one that was clerical and hierarchical This change among other factors eventually transformed the diaconate into an inconsequential transitional office on the way to the priesthood Responding to the present day revival of the diaconate in the Roman Catholic Episcopal Lutheran and other churches Barnett calls for a restoration of the office to its original place as full and equal order thus re creating the great symbol of the servant ministry that Christ gave to all the church James Monroe Barnett now living in retirement in Omaha is the former rector of Trinity Episcopal Church Norfolk NE
