Warship Poseidon Peter Greene,2016-07-23 Winner of the Clive Cussler Society s Adventure Writers Competition and the Independent Author Network s Book of the Year for Action Adventure Orphaned twelve year old Jonathan Moore is abducted by a gang and pressed into service aboard HMS Poseidon a forty four gun fighting warship of the British Royal Navy However there is more to the event than just a change of address How is it that some members of the crew including the

Captain already know his name Why do the officers seem to favor him above the other new crewmembers Jonathan is thrust into a daring mission to recover a hidden treasure on a remote Caribbean isle Unfortunately the crew and officers of the Poseidon are not the only ones searching for the prize In a desperate race across the Atlantic Jonathan is pitted against sword wielding spies engages in terrifying ship to ship battles and in the end must match his wits and courage against a ruthless and cunning French Captain and his infamous 74 gun battleship The English Review Ford Madox Ford,1915

Foreign Language Learning with Digital Technology Michael Evans,2009-02-07 While digital technology is endlessly innovating and improving itself as a tool to support teaching and learning the cognitive process of language learning itself remains perennially the same However digital technology has created new learning opportunities and introduces new elements into the cognitive process of foreign language learning The contributors of this well edited collection examine foreign language learning primarily from a user perspective and explore these underlying questions How does digital technology support existing foreign language learning needs and processes What new learning experiences does it entail for the learner The book situates new insights into the value of digital technology for foreign language learning within the context of evidence from prior research and of educational policy making and examines key pedagogical uses of digital technology in relation to effective foreign language learning by pupils It provides an in depth description of the use of a range of digital media and combines practical ideas for teaching and learning with critical analysis of evidence drawing on an analysis of technology focused language learning across different sectors and in different anglophone contexts
