Gambling for Winners Ward Wilson, This book is for you only if you gamble to make money If your idea of fun and entertainment includes giving away your hard earned money to casinos I can't help you If you enjoy sitting in a mindless bright lights dinging trance while you drop quarters down a slot this book is not for you If you think casinos are built and run by stupid people you better stay out of them If you think you can beat a blackjack dealer by wild assed guessing think again If you play poker just because it's now so popular you don't need my book If you believe you can just happen to be lucky enough to beat the odds you live in a fantasy world and you'd hate this book for destroying your illusions But if you're hard headed serious willing to work and tired of the mainstream gambling books that simply teach you how to lose less rather than win If you understand casinos don't stay in business by giving out more money than they take in This is an extensive examination of the most popular forms of gambling If you can find any positive expectation bets and how Some of the material is controversial Some of it is unique It's
