This fully detailed manual for the mind sure to become a trusted companion to many inner explorers. *Wisdom Wide and Deep* Shaila Catherine, 2011

Wisdom Wide and Deep is an extended introduction to an in depth training that emphasizes the application of concentrated attention to profound and liberating insight. With calm tranquility and composure established through a practical experience of jhana or deep concentration, meditators are able to halt the seemingly endless battle against hindrances, eliminate distraction, and facilitate a penetrative insight into the subtle nature of matter and mind. **The Jhanas** Shaila Catherine, 2024-05-07 Experience new levels of joy, calm, and clarity with this revised and enhanced edition of the bestselling *Focused and Fearless*. The Pali word jhana literally means to meditate. It also refers to a traditional series of states of absorption, each deeper than the last, in which the mind is undistracted by sensation, thoughts, or moods. Shaila Catherine's friendly, wise approach, blended with contemporary examples and pragmatic how-to instructions, that anyone can try will show meditators and non-meditators how to attain these extraordinary states with relative ease. But jhana practice is about much more than just meditation or concentration; it offers a complete path toward bliss, fearlessness, and true awakening. From the introduction, Jhanas are states of happiness that can radically transform the heart, reshape the mind, imbue consciousness with enduring joy and ease, and provide an inner resource of tranquility that surpasses any conceivable sensory pleasure. Jhanas are states of deep rest, healing, rejuvenation, and profound comfort that create a stable platform for transformative insight. In this approach to jhana, we use the calming aspects of concentration to support the investigative aspects of insight meditation. The fruit of concentration is freedom of heart and mind. This new edition of the meditation classic clarifies crucial points and offers twenty-one additional exercises, making this a great book for both those new to jhana practice and those looking to deepen their practice. *Focused and Fearless* Shaila Catherine, 2008-05-10 With this accessible guide, meditators and non-meditators can understand how to attain extraordinary states with relative ease. Blended with contemporary examples and pragmatic how-to instructions, that anyone can try, *Focused and Fearless* provides a wealth of tools to cultivate non-distracted attention in daily life and on retreat. Shaila Catherine has a friendly, wise approach to the

meditative states jhanas that lead to liberating insight Focused and Fearless is about much more than merely meditation or concentration It offers a complete path towards bliss fearlessness and true awakening **Samatha, Jhana, and Vipassana** Hyun-Soo Jeon,2018-08-21 A clear and comprehensive handbook to a revered path of meditation This step by step meditator s guide walks the reader through practices that can hold the key to unlocking new levels of concentration and insight A student of the famed Pa Auk Monastery and a practicing psychiatrist Jeon Hyun soo MD PhD uses these two paths to guide the reader to a new understanding of themselves and the world around them Drawing both from Jeon s own experience with Pa Auk Sayadaw and from the words of the Buddha this is an authentic and practical guide to samatha materiality mentality dependent origination and vipassana **Mastering the Core Teachings of the Buddha** Daniel Ingram,2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles Even so Ingram insists that enlightenment is an attainable goal once our fanciful notions of it are stripped away and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self absorbed mind noise Ingram sets out concisely the difference between concentration based and insight vipassana meditation he provides example practices and most importantly he presents detailed maps of the states of mind we are likely to encounter and the stages we must negotiate as we move through clearly defined cycles of insight Its easy to feel overawed at first by Ingram s assurance and ease in the higher levels of consciousness but consistently he writes as a down to earth and compassionate guide and to the practitioner willing to commit themselves this is a glittering gift of a book In this new edition of the bestselling book the author rearranges revises and expands upon the original material as well as adding new sections that bring further clarity to his ideas Daily Doses of Wisdom Josh Bartok,2013-08-19 Daily Doses of Wisdom draws on the richness of Buddhist writings to offer a spiritual cornucopia that will illuminate and inspire day after day year after year Sources span a spectrum from ancient sages to modern teachers from monks to laypeople from East to West from poetry to prose Each page and each new day reveals another gem carefully selected from the entire list of titles published by Wisdom *A Little Bit of Buddha* Chad Mercree,2015-01-20 At its heart Buddhism blossoms from one source the words and life of Siddhartha Gautama the Buddha Chad Mercree a lifetime student of Buddhist philosophy and meditation reveals in simple language how Buddhism can yield personal growth in the modern world Because every journey is unique Mercree relates his own story as well as the experiences of famous Buddhists throughout history to help you apply Buddhas principles to your personal path **The Four Foundations of Mindfulness in Plain English** Henepola Gunaratana,2012-08-07 In simple and straightforward language Bhante Gunaratana shares the Buddha s teachings on mindfulness and how we can use these principles to improve our daily lives deepen our mindfulness and move closer to our spiritual goals Based on the classic Satipatthana Sutta one of the most succinct yet rich explanations of meditation Bhante s presentation is nonetheless thoroughly modern The Satipatthana Sutta has become the basis of all mindfulness meditation and Bhante unveils it to the reader in his trademark
