Witness To The Gospel The Theology Of Acts Theology Biblical Studies:

Witness to the Gospel I. Howard Marshall, David Peterson, 1998 A distinguished group of scholars here provides a comprehensive survey of the theology of the early church as it is presented by the author of Acts The twenty five articles show the current state of scholarship and the main themes of theology in Acts *Witness to the gospel : the theology of Acts* I. Howard ; Peterson Marshall (David), 1998 **For All Peoples** Craig S. Keener, 2020-08-27 Given this unique locus of today's church this book takes us back to the foundational teachings of Jesus on missions the Great Commission Gospel of Matthew and the Messianic Commission Gospel of John Although these two passages are universal in grounding Christian mission Professor Keener wants to assure that the role of the Holy Spirit is central to Christian living and acting as God's witnesses Wonsuk Ma PhD Dean Distinguished Professor of Global Christianity College of Theology and Ministry Oral Roberts University Craig Keener one of the finest and most prolific NT scholars of our day has produced another gem For All Peoples A Biblical Theology of Missions in the Gospels and Acts blends together rich scholarly insights rooted in an unsurpassed knowledge of the first century world with an edifying and pastoral eye that is always focused on the radical nature of Jesus call to follow him in his redemptive mission Successive chapters illuminate the seminal contributions that Matthew Luke John and Paul make to a biblical theology of missions The final chapter rooted in the narrative of Acts appropriately ties together these themes by describing Paul's Macedonian vision as a call for the Church to take the gospel from its place of origin in Asia to the mission field of Europe After almost two millennia Keener reminds us just how relevant this call remains for the growing and vibrant churches of Asia today Robert P Menzies PhD Kunming China This is Craig Keener at his best thoroughly expositional and passionately missional Dave Johnson DMiss Managing Editor Asian Journal of Pentecostal Studies **A Theology of Luke and Acts** Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology **Acts** Justin S. Holcomb, 2014-06-30 The book of Acts chronicles some of the most important events in Christian history the scattering of Jesus's disciples across the known world the coming of the Holy Spirit the birth of the early church and more Plumbing the theological depths this guide explains the biblical text with clarity and passion helping us understand the history shaping events that took place in the years following Christ's ascension Over the course of 12 weeks each study in this series explores

a book of the Bible and Asks thoughtful questions to spur discussion Shows how each passage unveils the gospel Ties the text in with the whole story of Scripture Illuminates the doctrines taught in each passage Invites you to discover practical implications Helps you better understand and apply God's Word **Themelios, Volume 33, Issue 3** D. A.

Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **Peter and Cornelius** vanThanh Nguyen SVD, 2012-11-29 The mission to the Gentiles and their conversion into the church gave rise to conflict in the early Christian community Acts 11 1 18 indicates that there was clearly dissension over the issue of Peter going to the house of Cornelius and participating in table fellowship with him The issue was no small matter since it could have split the church How then does Luke portray the resolution of the conflict Instead of writing a long theological treatise the author employs the art of storytelling The study of Luke Acts has long been dominated by historical critical methods focusing on Luke as a historian and theologian This work however proposes a paradigm shift by looking at Luke as a storyteller Since narrative criticism is concerned with the work of the writer as author and not simply redactor and since it treats narrative precisely as narrative the time has come to apply the narrative critical approach to Acts 10 1 11 18 This approach explores a different set of questions What is the story of Peter and Cornelius about How is the story told What effect does the story have on the reader and why **The Cradle, the Cross, and the Crown** Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2 15 It offers a thorough introduction to all twenty seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion

and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture

Being Missional, Becoming Missional Banseok Cho, 2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God s mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand

Between History and Spirit Craig S. Keener, 2020-03-23 Craig Keener is known for his meticulous work on New Testament backgrounds but especially his detailed work on the book of Acts Now for the first time in book form Cascade presents his key essays on Acts with special focus on historical questions and matters related to God s Spirit
