Unexpected Present Ryan Peterson:

Unexpected Present Ryan Peterson, 2014-08-01 A romantic femdom story *Unexpected Present* begins on Christmas Eve when young married couple Paul and Kate realize they have a bit of a fascination with BDSM While their vanilla relationship is a loving one Kate needs something more from Paul she needs to dominate him Paul is not an active submissive but he loves that Kate so often initiates sex and he has after all had those fantasies of beautiful women teasing him while he lay helpless and unable to resist or reciprocate their advances They decide to exchange symbolic gifts over the Twelve Days of Christmas This seems like a good idea at first Kate can explore her desire to take control of Paul through a series of little presents presumably Paul can do the same while he thinks about how he might please her But Paul is a bit of a perfectionist and his projects sometimes have a way of taking on a life of their own and then utterly backfiring As he searches for the perfect present Paul becomes so distracted that he forgets that he needs to find eleven more He scrambles to put together twelve presents at the last moment and as his gut instincts take over he fatefully decides to give her a chastity cage he had bought on an impulse That is her first gift the keys to the lock will be the second These first two presents kindle a hope in Kate s mind and as he unveils more presents she interprets every one of them as a symbol of Paul s desire to submit to her Because he loves her and doesn t want to disappoint her and because he doesn t want to admit that the gifts were bought hastily and have no overriding theme Paul does not correct her assumptions With each day they go deeper The chastity cage and keys lead naturally to teasing and denial They move on quickly from there to spanking bondage discipline financial control and on New Year s Day Paul agrees to become Kate s slave for a trial period As Kate becomes more dominant day by day she and Paul find their feelings for each other growing stronger Kate is deeply moved by the trust he shows in her and being able to take such complete control of him only makes her love him more Paul knows that she would understand if he told her he forgot their agreement but he doesn t want to hurt her He also finds the new more dominant Kate sexier and more exciting And by New Year s Day he is disturbed by how naturally he submits to her Is Kate s unexpected present going to vanish before the 12th day is over Or will it last a lifetime This book is awesome If you like reading femdom stories I can t recommend this enough It will push all your buttons I so hope the author will continue the story in another book
