Unholy Allegiances Heeding Revelations Warning:

Unholy Allegiances David A. deSilva, 2013 What if the Book of Revelation Isn't a Play Book for the End Times What if it Isn't a Fanciful Speculative Letter to be Decoded What if the Author Actually had a true and Relevant Message for the Church Amidst the fervor for popular apocalyptic books and unfounded end times theology New Testament scholar David A deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read In a masterful treatise deSilva explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John's letter is in fact not a historical blueprint for prophecy and prognostication but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is as apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It's time to pay attention without playing endgames It's time to take Revelation seriously *Unholy Allegiances* David A.

beautiful full color second edition of an established textbook is the first choice for those who want to integrate scholarship and ministry The Nonviolent Apocalypse Jeffrey D. Meyers,2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation s resistance arguing that Revelation s famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation s proclamation of God s way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God s vision for the world

Uncovering the Treasures of the Apocalypse David L. Mathewson,2022-07-15 The book of Revelation continues to baffle and confound present day readers Its strange imagery and the bewildering number of interpretations of the book have left most readers paralyzed with fear What is needed is a book that introduces the reader to the most important keys to keep in mind when interpreting the last book of the Bible This book provides just that it offers explains and illustrates five of the most crucial keys for unlocking the message of the Apocalypse These keys grow directly out of the kind of book Revelation is and reads it as the word of God for the church It leads the reader to take Revelation seriously as a message first addressed to seven historical churches in the first century before reading it as the word of God for today These five keys can instill greater confidence in understanding the book that has always been out of the reach of most readers **The State of New**

Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story

A Companion to the Book of Revelation David L. Mathewson,2020-03-19 This book is meant to be a companion and guide through what many deem to be the most perplexing book of the New Testament As such it introduces the reader to the kind of literature Revelation is how to interpret its pervasive symbolism and sees it as a response to the unique circumstances of seven historical churches in first century Asia Minor living under the shadow of the Roman Empire This companion pays special attention to the literary context and flow of argument of John s unique book while also giving attention to the effect the visions would have had on the first churches It also pays attention to the more perplexing details of the text Revelation was primarily a book that called the churches to maintain their faithful witness in the face of a hostile environment It also continues to speak to the church today though perhaps not in the way we often think
