Colin Kidd

Unionism In The United Kingdom 1918 1974:

Gender and Political Identities in Scotland, 1919-1939 Annmarie Hughes, 2010-05-15 This work offers a unique contribution to gender and Scottish history breaking new ground on several fronts there is no history of inter war women in Scotland very little labour or popular political history and virtually nothing published on women the home and family This book is a history of women in the period which integrates class and gender history as well as linking the public and private spheres Using a gendered approach to history it transforms and shifts our knowledge of the Scottish past unearthing the previously unexplored role which women played in inter war socialist politics the General Strike and popular political protest It re evaluates these areas and demonstrates the ways in which gender shaped the experience of class and class struggle Importantly the book also explores the links between the public and private spheres and addresses the concept of masculinity as well as femininity and pays particular reference to domestic violence The strength of the book is the ways in which it illuminates the complex interconnections of culture and economic and social structure Although the research is based on Scottish evidence it also uses material to address key debates in gender history and labour history which have wider relevance and will appeal to gender historians labour historians and social and cultural historians as well as social scientists

Four Nations Approaches to Modern 'British' History Naomi Lloyd-Jones, Margaret Scull, 2017-10-26 This collection brings together leading and emerging scholars to evaluate the viability of four nations approaches to the history of the United Kingdom from the eighteenth to the twentieth century It recognises the separate histories of England Ireland Scotland and Wales and explores the extent to which they share a common British history They are entwined with the points at which they interweave and detach dependent upon the nature of our inquiry where we locate our core and our periphery and the cause and effect of our subject The collection demonstrates that four nations frameworks are relevant to a variety of topics and tests the limits of the methodology The chapters illuminate the changing shape of modern British history writing and provide fresh perspectives on subjects ranging from state governance nationalism and Unionism economics cultural identities and social networking

State and Nation in the United Kingdom Michael Keating, 2021 This book argues that there is a need for fresh thinking about the United Kingdom s constitution and the basis of the union

The Ulster Unionist Party Thomas Hennessey, Máire Braniff, James W. McAuley, Jonathan Tonge, Sophie A. Whiting, 2018-12-13 The Ulster Unionist Party Country Before Party uses unprecedented access to the party that dominated Northern Ireland politics for decades to assess the reasons for its decline and to analyse whether it can recover Having helped produce the Belfast Good Friday Agreement the Ulster Unionist Party UUP struggled to deliver the deal amid unease over aspects of what its leadership negotiated Paramilitary prisoner releases policing changes and power sharing with the republican enemy were all controversial As the UUP leader won a Nobel Peace Prize his party began to lost elections For the UUP leadership acceptance of change was the right thing to do for Northern Ireland a case of putting country before party The decades since

the peace agreement have seen the UUP eclipsed by the rival Democratic Unionist Party DUP even though most of what the UUP agreed in 1998 has remained in place This book examines the travails of the UUP in recent times It draws upon the first ever survey of UUP members and a wide range of interviews including with the five most recent leaders of the party to analyse the reasons for its reverses and the capacity to revive The volume assesses why the UUP's still sizeable membership remains loyal and discusses what the UUP and unionism means to those members in terms of loyalty policy national and religious identity views of other parties and what a shared future in Northern Ireland will constitute Amid Brexit and talk of a border poll crises of devolved government rows with republicans and intra unionist tensions how secure and confident does the UUP membership feel about Northern Ireland's future Written by the same expert team that produced an award winning book on the DUP this book is indispensable to understanding parties and political change in divided societies *Cultural Identity in British Musical Theatre, 1890-1939* Ben Macpherson, 2018-05-15 This book examines the performance of Britishness on the musical stage Covering a tumultuous period in British history it offers a fresh look at the vitality and centrality of the musical stage as a global phenomenon in late Victorian popular culture and beyond Through a re-examination of over fifty archival play scripts the book comprises seven interconnected stories told in two parts Part One focuses on domestic and personal identities of Britishness and how implicit anxieties and contradictions of nationhood class and gender were staged as part of the popular cultural condition Broadening in scope Part Two offers a revisionary reading of Empire and Otherness on the musical stage and concludes with a consideration of the Great War and the interwar period as musical theatre performed a nostalgia for a particular kind of Britishness reflecting the anxieties of a nation in decline

Wales in England, 1914-1945 Wendy Ugolini, 2024-05-10 At the beginning of the twentieth century for many English men and women of Welsh origin the idea of being in some part Welsh reaffirmed their own understanding of what it meant to be British Wales in England 1914-1945 is the first cultural history of this English Welsh duality an identification with two constituent nations at once and explores how Welshness was imagined performed and mobilised in England during and between the two world wars In so doing and making use of individual English Welsh case studies from the worlds of politics art literature and soldiering the book provides a wholly new perspective on the social cultural and military history of Britain at war It shows English Welsh duality to have been an important strand of pluralistic Britishness in wartime and that this diasporic construction of Welshness held a wide urban appeal with significant implications for military enlistment cultural production and commemorative practices in England Working at the intersection of war studies British studies and diaspora studies *Wales in England* makes a significant contribution to four nations history and the history of British society at war

The Oxford Handbook of British Politics Matthew Flinders, 2009-07-16 The Oxford Handbook of British Politics provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area

The BBC and national identity in Britain, 1922-53 Thomas Hajkowski, 2013-07-19 Examining the ways in which the BBC

constructed and disseminated British national identity during the second quarter of the twentieth century this book is the first study that focuses in a comprehensive way on how the BBC through its radio programs tried to represent what it meant to be British The BBC and national identity in Britain offers a revision of histories of regional broadcasting in Britain that interpret it as a form of cultural imperialism The regional organization of the BBC and the news and creative programming designed specifically for regional listeners reinforced the cultural and historical distinctiveness of Scotland Wales and Northern Ireland The BBC anticipated and perhaps encouraged the development of the hybrid dual identities characteristic of contemporary Britain This book will be of interest to scholars and students of nationalism and national identity British imperialism mass media and media history and the four nations approach to British history *The British Empire* Mark Doyle, 2018-06-29 An essential starting point for anyone wanting to learn about life in the largest empire in history this two volume work encapsulates the imperial experience from the 16th 21st centuries From early sixteenth century explorations to the handover of Hong Kong in 1997 the British Empire controlled outposts on every continent spreading its people and ideas across the globe and profiting mightily in the process The present state of our world from its increasing interconnectedness to its vast inequalities and from the successful democracies of North America to the troubled regimes of Africa and the Middle East can be traced in large part to the way in which Great Britain expanded and controlled its empire The British Empire A Historical Encyclopedia addresses a broader range of topics than do most other surveys of the empire covering not only major political and military developments but also topics that have only recently come to serious scholarly attention such as women s and gender history art and architecture indigenous histories and perspectives and the construction of colonial knowledge and ideologies By going beyond the headline events of the British Empire this captivating work communicates the British imperial experience in its totality *The politics of Englishness* Arthur Aughey, 2013-07-19 The politics of Englishness provides a digest of the debates about England and Englishness and a unique perspective on those debates Not only does the book provide readers with ready access to and interpretation of the significant literature on the English Question it also enables them to make sense of the political historical and cultural factors which constitute that question The book addresses the condition of England in three interrelated parts The first looks at traditional narratives of the English polity and reads them as variations of a legend of political Englishness of England as the exemplary exception exceptional in its constitutional tradition and exemplary in its political stability The second considers how the decay of that legend has encouraged anxieties about English political identity and about how English identity can be recognised within the new complexity of British governance The third revisits these narratives and anxieties examining them in terms of actual and metaphorical locations of Englishness the regional the European and the British

Unionism In The United Kingdom 1918 1974 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Unionism In The United Kingdom 1918 1974 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Unionism In The United Kingdom 1918 1974 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Unionism In The United Kingdom 1918 1974 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
