

Health and social care unit 10

Health and social care unit 10

A1 concepts and terminology used within sociology

There are numerous ways that concepts and terminology are used within sociology to understand how concepts and perspectives are applied to the study of health and social care there for I will now be discussing the following.

Social class:

Social class refers to the idea that the population is divided into groups based on their economic wealth for example like a hierarchy of individuals that share the same social class with similar wealth there are different types of social classes and they are usually split into three groups as following : working class, this class is known as individuals of society that are part of manual jobs and receive minimum wage there for they would be considered as bottom of the hierarchy they usually work in labouring and factory based jobs. Individuals in working class tend to have low level of education and there can be numerous reasons to why individuals have low education and not being able to pursue higher level of education but one being is the fact working class people find it harder to afford equipment for school and being able to afford books to better their education there for it makes it difficult for them to participate in social mobility (idea of moving from classes) a reason being is because of restrictions not allowing them . people in working have no choice but to remain in their social position because their inability to move up there for they must remain in their jobs however it can be argued that working class can achieve social mobility for example looking at Richard Branson he was from a working-class background but was able to move to the upper class however the likelihood of working class partaking in social mobility is very unlikely, but it can be achieved. According to functionalist social stratification is healthy and

Unit 20 P5 Health And Social Care:

Vulnerable Groups in Health and Social Care Mary Larkin, 2009-05-18 The book makes it easy to dip into a topic and also gives good overviews of theories and applications This will definitely help students Lesley Groom University of Bolton Carefully researched and highly readable this textbook looks at the experiences and health and social needs of key vulnerable groups It presents an engaging social science perspective relevant to everyone exploring how we and society care for the vulnerable Each chapter defines and explores a vulnerable social group bringing together theoretical policy and practice perspectives The chapters explore contemporary debates and offer a number of differing and thought provoking viewpoints The lively and engaging style enables the reader to engage with the client group and to reflect upon their own learning and practice in a more meaningful way Groups covered include Disabled People Children Older People Those Living with Mental Illness Ethnic Minorities The Homeless Suggestions about further study chapter activities and a glossary of key concepts support students learning and develop understanding across the social sciences The book will be invaluable for all those taking courses across health and social care It will also be a great reference book for practitioners

Policy and Social Work Practice Tony Evans, Frank Keating, 2015-11-10 Social policy is central to social work practice This textbook is designed to help students practitioners and academics think critically about the relationship between policy and practice particularly in how policy both structures and informs practice Reflective questions help critical thinking and links to websites of substantive information across the UK and internationally help keep you up to date with policy developments The authors experience and skills in working with different service user groups combine to provide a constructive and critical approach to working with social policy in an era of welfare retrenchment Key topics include discretion and practice social work training and education safeguarding children responses to the needs of looked after children personalization in adult care race and welfare policy domestic violence mental health and capacity and comparing social work and social care internationally

Developments in Direct Payments Janet Leece, Joanna Bornat, 2006-01-17 From a campaigning concept in the 1970s direct payments the substitution of cash for services have become a key part of UK government social care provision This book charts the change critically evaluating progress take up inclusion and access to direct payments by different user groups

Social Work Practice with Adults Di Galpin, Natalie Bates, 2009-10-09 Based on the experiences of social work practitioners this book provides a detailed account of contemporary practice issues that can influence social work with adults Written by different authors each chapter covers a range of topical debates from the assessment of needs rights and risk in learning disability services to direct payments and the implementation of individual budgets This book is a useful resource for social work students completing the Consolidation and Preparation for Specialist Practice CPSP

programmes and those embarking on the Post Qualifying Specialist Award in Social Work with Adults

Social Work with Looked After Children Christine Cocker, Lucille Allain, 2012-12-31 This revised edition details organisational systems and

structures that are part of the assessment and planning process for looked after children This is closely interwoven with discussions about their emotional development educational health and cultural needs and how these needs can be met through social work and a range of other services The views of looked after children are highlighted through case studies and summaries of research findings and the range of skills and knowledge necessary to support looked after children through the key events they experience including loss change and the development of new relationships are explained and illustrated

Essentials of Community Care Peter Sharkey, 2017-09-16 The second edition of this guide to community care aimed at both health and social care practitioners offers a clear and structured introduction to present policy and practice It is illustrated throughout by pertinent case material and has been updated with the latest policy developments and new literature

Understanding Health and Social Care Jon Glasby, 2012 New austerity measures have substantially changed the landscape for social and health care in the United Kingdom Fully updated to reflect key developments under the New Labour and Coalition governments this second edition of *Understanding Health and Social Care* provides an up to date guide to the increasingly important partnership between health and social care workers Jon Glasby combines practical information about welfare systems with key theoretical material to present a complete picture of these overlapping fields

Cash and care Glendinning, Caroline, Kemp, Peter A., 2006-09-25 Recent social trends and policy developments have called into question the divide between the provision of income support and social care services This book examines this in light of key trends The book presents new evidence on the links between cash whether from earnings from paid work social security benefits and payments for disabled people and carers and social disadvantage care and disability It presents theoretical perspectives on the need for and provision of care which some commentators have described as a new social risk and offers new insights into traditional forms of risk such as poverty disability access to credit and money management It provides an analysis of childcare and informal support for sick disabled or elderly people in the context of increasing female labour market participation and the introduction of cash allowances to pay for care and posits a new look at both disabled people and older people in their roles as active citizens whose views and experiences should help shape both policy and practice *Cash and care* is essential reading for students lecturers and researchers in social policy applied social science social work and health and social care

Intellectual Disability and Social Inclusion Martin Richard Bollard, 2009-01-27 This book provides a unique insight into the challenges faced by people with learning disabilities trying to access mainstream health and social services and by the professionals who are trying to provide them The combination of professional perspectives and viewpoints of people with learning disabilities themselves creates an authoritative explanation of why this group of people face the barriers they do The contributors critique these barriers and also offer potential solutions to overcoming them Personal reflections written by people with learning disabilities on their experiences of accessing health and social care services Comprehensive coverage of policy in the four UK countries Comprehensive analysis by subject experts of practice in

a range of areas from acute health care through mental health to leisure and housing provision Accessible summaries at the end of each chapter including text for people with learning disabilities The Palgrave Handbook of Adult Mental Health
Michelle O'Reilly, Jessica Nina Lester, 2016-04-08 This Handbook gathers together empirical and theoretical chapters from leading scholars and clinicians to examine the broad issue of adult mental health The contributors draw upon data from a variety of contexts to illustrate the multiple ways in which language as action can assist us in better understanding the discursive practices that surround adult mental health Conversation and discourse analysis are useful related approaches for the study of mental health conditions particularly when underpinned by a social constructionist framework In the field of mental health the use of these two approaches is growing with emergent implications for adults with mental health conditions their practitioners and or their families Divided into four parts Reconceptualising Mental Health and Illness Naming Labelling and Diagnosing The Discursive Practice of Psychiatry and Therapy and Interventions this Handbook provides a comprehensive overview of current debates regarding adult mental health

Unit 20 P5 Health And Social Care: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
