The Universes of God 2: The Chronicles of Jesus Christ Two Stephens, 2015-12-07 The Universes of God 2 The Chronicles of Jesus Christ continues the sprawling epic of the Word of God from beginning to end in the vein of Paradise Lost Learn about the event that changed the world from the Law of the Jungle to the charitable empathy and goodness that destroyed the evil called the way it was Immerse yourself in the horrific war between good and evil that culminated in the death of The Son of God See the whole world surge deceived as the Elect fight against the forces of darkness as the Pharisees trumpet the greatest blasphemy the world will ever see You are there with the Angels the good and bad in Heaven and in Hades and throughout the great expanse that s called the Spirit World This second novel of the quadrilogy will take you from Abraham s calling past the destruction of Sodom and Gomorrah deep into the Promised Land wars and the two thousand pound Giants who ruled the nightmares of all mankind Do you really believe Jesus said only twenty nine words on the cross Why did God force the Israelis to kill everyone including innocent babies and children Do you understand the REAL reason for Jesus sacrifice or the message the resurrected out of their graves said to the world You ll finally learn what the Church refuses to teach and will understand the hidden purpose of evil why Jesus chose such an unthinkable sacrifice when he didn t really have to and to even why you were born You ll find you re more than you ve ever thought older than the stars and more precious individually than all the living things of the earth combined Sabbath after Sabbath year after year decade after decade you sit in the pews until you die never learning anything more than after the first year of being in the system listening to the same recycles sermons you know you ve heard before If you ve known there s much more to the bible and God s history than the milk that s constantly offered then this knowledge is for you You ll find you re more than you ve ever thought older than the stars and more precious individually than all the living things of the earth combined And more importantly there s still a powerful someone out there that still loves you endlessly Jesus Christ and His Revelation the

Keenan,2022-09-09 This is volume 2 of a wide ranging interfaith reading of the Letter to the Ephesians a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries Unfortunately at the same time Ephesians has provided apparent scriptural support to those who would defend slavery patriarchy misogyny and the physical power of Christ over the cosmos How on earth are today s Christians to receive and understand such a text as this Earthing the Cosmic Christ of Ephesians The Universe Trinity and Zhiyi s Threefold Truth draws upon a broad array of scientific theological and philosophical thinkers who enable us both to marvel at today s ever expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal misogynistic and slaveholding norms of its first century culture Throughout this reading of Ephesians we look to Chinese Buddhist master Zhiyi and his threefold truth to enhance our understanding of trinity and the nascent trinitarian themes within this letter As a whole this work constitutes a new appreciation for Ephesians as well as a twenty first century apologetic for doctrinal humility and for theologizing within a global theological commons *The Secular Chronicle* ,1874 **Living in The Story** Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both churchd and un churchd to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible
