University North Carolina Civil War:

North Carolina in the Civil War Michael C. Hardy, 2011-08-04 Civil War scholar Michael Hardy delves into the story of North Carolina's Confederate past from civilians to soldiers as these Tar Heels proved they were a force to be reckoned with. First at Bethel, farthest at Gettysburg and Chickamauga and last at Appomattox is a phrase that is often used to encapsulate the role of North Carolina's Confederate soldiers. Tar Heels witnessed the pitched battles of New Bern, Averysboro and Bentonville as well as incursions like Sherman's March and Stoneman's Raid. The state was one of the last to leave the Union but contributed more men and sustained more dead than any other Southern state. This inclusive history of the Old North State is a must read for any Civil War buff. North Carolina Civil War Monuments Douglas J. Butler, 2013-05-11 Monuments honoring leaders and victorious armies have been raised throughout history. Following the American Civil War, however, this tradition expanded and by the early twentieth century the Confederate dead and surviving veterans, although defeated in battle, ranked among the world's most commemorated troops. This memorialization described in *North Carolina Civil War Monuments* evolved through a challenging and contentious process accomplished over decades. Prompted by the need to rebury wartime dead, memorialization led by women first expressed regional grief and mourning then expanded into a vital aspect of Southern memory. In North Carolina, 109 Civil War monuments, 101 honoring Confederate troops and eight commemorating Union forces, were raised prior to the Civil War centennial. Photographs showcase each memorial while committee records, legal documents and contemporaneous accounts are used to detail the difficult process through which these monuments were erected. Their design, location and funding reflect not only the period's sculptural and cultural milieu but also reveal one state's evolving grief and the forging of public memory. *North Carolina Civil War Documentary W.* Buck Yearns, John Gilchrist Barrett, 2002-02-01 This collection of primary source material chronicles the Civil War experiences of North Carolinians from the secession crisis to the Confederate surrender at Bennett Place. In contrast to other works on the Civil War, this book focuses not on military events. The 55th North Carolina in the Civil War Jeffrey M. Girvan, 2013-01-25 This comprehensive history tells the story of the men who served in the 55th North Carolina from its formation in 1862 through its dissolution in 1865. Drawing on letters, memoirs, diaries and recollections, it depicts the Civil War through the eyes of the soldiers, showing what it was like to fight for the Confederacy. While providing information on the battles in which the 55th North Carolina took part, including the little-known Suffolk campaign, the main focus of the work is the life of the men, the ever-present influence of politics and religion as well as the effects of disease and combat. Appendices provide a breakdown of the companies in the regiment, the regimental roster, a list of men who died of disease and a record of the men from the 55th who were killed in battle. Contemporary photographs are also included. **The Civil War in North Carolina, Volume 2: The Mountains** Christopher M.
