Monteleone, Deborah Crisfield, 1999-03-15 Details the differences from men s softball and offers effective strategies **Girls with Guts!** Debbie Gonzales, 2019-05-14 Celebrate women athletes who played all kinds of sports before Title IX finally allowed them to compete in the Olympics tournaments and in leagues across America No chasing No stretching or straining And never ever sweat These were the rules girls were forced to play by until Title IX passed in 1972 From Melpomene in 1896 to Althea Gibson in 1956 and beyond readers will meet the women athletes who refused to take no for an answer Learn how they paved the way for the women who pushed for a law to protect their right to play compete and be athletes *Built to Win* Leslie Heywood, Shari L. Dworkin, Annotation The sculpted speed of Marion Jones The grit and agility of Mia Hamm

The slam dunk style of Lisa Leslie The skill and finesse of these sports figures are widely admired no longer causing the puzzlement and discomfort directed toward earlier generations of athletic women Built to Win explores this relatively recent phenomenon the confident empowered female athletes found everywhere in American popular culture Leslie Heywood and Shari L Dworkin examine the role of female athletes through interviews with elementary and high school age girls and boys careful readings of ad campaigns by Nike Reebok and others discussions of movies like Fight Club and Girlfight and explorations of their own sports experiences They ask what if any dissonance is there between popular images and the actual experiences of these athletes Do these images really redefine femininity and contribute to a greater inclusion of all women in sport Are sexualized images of these women damaging their quest to be taken seriously Do they inspire young boys to respect and admire female athletes and will this ultimately make a difference in the ways gender and power are constructed and perceived Proposing a paradigm shift from second to third wave feminism Heywood and Dworkin argue that in the years since the passage of Title IX gender stereotypes have been destabilized in profound ways and they assert that female athletes and their imagery are doing important cultural work to that end Important refreshing and engrossing Built to Win examines sport in all its complexity
