Gospel-Centered Counseling Robert W. Kelleman, 2014-10-21 Everyone talks about the personal ministry of the Word, but how do we make one another's ministry truly biblical? Gospel-Centered Counseling equips readers to change lives with Christ's changeless truth. It does so by examining life's seven ultimate questions and then guiding readers on a journey that explores the biblical gospel-centered narrative of The Word. What is truth? Where can I find answers? The Trinity. Who is God? Can I know Him personally? Creation. Who am I? What makes people tick? Fall. What went wrong? Why do we do the things we do? Redemption. Can I change? How do people change? Glorification. Where am I headed? How does our future destiny impact our present reality? Sanctification. How can I help? How can I change lives? Bob Kelleman builds on the foundation of the written Word and provides a gospel-centered resource for understanding people, diagnosing problems, and prescribing biblically based solutions. Gospel-Centered Counseling is the first volume in The Equipping Christian Counselors Series, a comprehensive relational training curriculum for the local church that provides a model for equipping God's people to change lives with Christ's changeless truth. This two-volume series weaves together comprehensive biblical insight with compassionate Christian engagement.

Criticizing Ben Undeleted 0.1, *The Dating Manifesto* Lisa Anderson, 2015-08-01 Your attitudes about marriage and the path to marriage are wrong. Some you've inherited, some you've simply bought hook, line, and sinker, and some you've made up yourself. They have translated into bad action or no action in dating and relationships. But it's not too late; you can break the cycle of dating dysfunction and learn to honor marriage, marry well, and live intentionally while you wait. Lisa Anderson proves it's possible. The Dating Manifesto is

neither a cheesy formula for finding a spouse nor a feel good book about how the person for you is out there if you only believe Instead it s a challenge to wise up own your junk and chart a bold new course for your relationship future
