

WHAT ARE YOU GOING TO DO WITH YOUR LIFE?

The definition of success changes as you grow in life. But what about the years after your initial goals have been pursued and met? What does success mean then? Leisure or legacy?

For many, it's about making things better and improving the world in a significant way—about changing people's lives and altering the course of history for the better. There are examples to set and legacies to leave—your legacy.

With Purpose shows how you can have a lasting impact on the world, regardless of whether or not you think you have the resources to do it. It will show you how to identify your strengths and make your next success a significant one.
