The Best Horror of the Year Ellen Datlow, 2013-08-27 Darkness, both literal and psychological, holds its own unique fascination. Despite our fears, or perhaps because of them, readers have always been drawn to tales of death, terror, madness, and the supernatural, and no more so than today when a wildly imaginative new generation of dark dreamers is carrying on in the tradition of Poe and Lovecraft and King, crafting exquisitely disturbing literary nightmares that gaze without flinching into the abyss and linger in the mind long after. Multiple award-winning editor Ellen Datlow knows the darkest corners of fiction and poetry better than most. Once again, she has braved the haunted landscape of modern horror to seek out the most chilling new works by both legendary masters of the genre and fresh young talents. Here are twisted hungers and obsessions, human and otherwise, along with an unsettling variety of spine-tingling fears and fantasies. The cutting edge of horror has never cut deeper than in this comprehensive showcase of the very best the field has to offer. Enter at your own risk.

Campari Crimson Traci Andrighetti, 2018-02-19 Franki's back with a bite. Halloween is looming large in New Orleans, and Private Investigator Franki Amato's in a gloomy mood. Her boyfriend Bradley has to leave on an extended business trip, and her slacker brother is coming to town with her matchmaker nonna, who's determined to see a Sicilian lemon superstition bear fruit. Meanwhile, the entire city is spooked because a caped figure is targeting its blood banks. Things turn macabre when a psychic makes a dark prediction about Franki's brother and a frat boy is found in a cemetery crypt with his blood drained. As bad luck would have it, Franki is hired to investigate the murder by the number one police suspect: an eighteenth-century vampire impersonator. A detective acquaintance offers to team up to find the killer, but he's interested in more than Franki's professional input. To solve the case, she goes solo into NOLA's vampire community and immerses herself in local vampire legends. Can Franki prevent another bloodletting? Or will the next blood spilled be her own? *Campari Crimson* is book 4 in the Franki Amato Mysteries, but it can be read as a standalone. If you like zany characters and laugh-out-loud
