Using Documents In Social Research Introducing Qualitative Methods Series

Lesley Noaks, Emma Wincup

Using Documents In Social Research Introducing Qualitative Methods Series:

Using Documents in Social Research Lindsay Prior,2003-02-26 Using Documents in Social Research offers a comprehensive yet concise introduction to the use of documents as tools within social science research The books argues that documents stand in a dual relation to human activity and therefore by transmitting ideas and influencing the course and nature of human activity they are integral to the research process Key features of the book include Alerts students to the diversity of social scientific research documents Outlines the various strategies and debates that need to be considered in order to integrate the study of documents into a research project Offers a number of examples where documents have been used within a variety of research contexts The book is written in an easy and engaging style which makes it accessible to undergraduates and postgraduate students It will be essential reading for students and researchers across a range of social science disciplines

Using Documents in Social Research Lindsay Prior,2003-06-16 A comprehensive yet concise introduction to the use of documents as tools within social science research

Using Diaries for Social Research Andy Alaszewski,2006-01-24 The book has no competitor it summarises the development of the method follows through all stages of research from accessing subjects through design to analysing diary information as data and considers how the method can best be exploited and used No other book comes remotely near doing this I for one shall be using it gratefully as the single best text for diary research Professor Anthony P Macmillan Coxon Honorary Professorial Fellow University of Edinburgh In this accessible and lucid introductory text Andy Alaszewski considers the analysis of diaries as a distinctive research technique in its own right Nothing has previously covered this area in single volume format but the timely emergence of Using Diaries for Social Research recognizes the increased interest in and relevance of diary methodology within social research teaching Effectively combining theory history and methodology Alaszewski begins by discussing how diary keeping has developed outlining the key features of the medium and examining the ways in which diaries have been and can be used for social research He describes how suitable diaries and diarists can be identified by the researcher and once found how these diaries can be structured to generate research material Finally the researcher is taken through the analysis stage examining statistical techniques content analysis and structure analysis as effective methods of investigating diary texts This introductory student guide is an essential text for anyone involved in the area of social or historical research and for those working in the narrative tradition

A Companion to Qualitative Research Uwe Flick,Ernst von Kardoff,Ines Steinke,2004-05-25 A Companion to Qualitative Research draws on the work of an array of leading scholars from Europe Britain and North America to present a summary of every aspect of the qualitative research process from nuts and bolts methods and research styles to examinations of methodological theory and epistemology It is one of the few surveys of qualitative research to adopt a genuinely international voice

Narratives in Social Science Research Barbara Czarniawska-Joerges,2004-03-27 Provides an historical overview of the development of the narrative approach a guide to

how narrative methods can be applied in fieldwork how to incorporate a narrative approach within a field project guidelines for interpreting collected or produced narratives and useful guides for further reading Doing Conversation Analysis Paul ten Have, 2007-09-25 This is the book for introducing and getting to grips with conversation analysis Accessible comprehensive and very applied Steven Wright Lancaster University A clearly written book It puts CA into perspective by presenting exemplary studies and differentiating CA from other approaches to discourse It is full of advice concerning the technicalities of recording transcription and analysis It will be most useful to my students Spiros Moschonas University of Athens The Second Edition of Paul ten Have's classic text Doing Conversation Analysis has been substantially revised to bring the book up to date with the many changes that have occurred in conversation analysis over recent years The book has a dual purpose to introduce the reader to conversation analysis CA as a specific research approach in the human sciences and to provide students and novice researchers with methodological and practical suggestions for actually doing CA research The first part of the book sets out the core theoretical concepts that underpin CA and relates these to other approaches to qualitative analysis The second and third parts detail the specifics of CA in its production of data recordings and transcripts and its analytic strategies The final part discusses ways in which CA can be applied in the study of specific institutional settings and for practical or critical purposes

Doing Research in Cultural Studies Paula Saukko, 2003-11-03 Paula Saukko outlines the key methodological approaches to the study of lived experience texts and social contexts within the field of cultural studies

Gender and Qualitative Methods Helmi Järviluoma, Pirkko Moisala, Anni Vilkkö, 2003-09-30 The book will be of particular value to those wishing to understand and review the importance of gender within their research studies It provides a clear and critical view of some of the social theories concerning gender society and experience Nurse Researcher Gender and Qualitative Methods outlines the practical and philosophical issues of gender in qualitative research Taking a social constructionist approach to gender the authors emphasize that the task of the researcher is to investigate how gender is defined negotiated and performed by people themselves within specific situations and locations Each chapter begins with an introduction to a specific method and or research subject and then goes on to discuss gender as an analytical category in relation to it Areas covered include field work life story membership categorisation analysis and analysis of gender in sound and vision Written in a clear and accessible way each chapter contains practical exercises that will teach the student methods to observe and analyze the effects of gender in various texts and contexts The book is also packed with examples taken from women and men's studies as well as from feminist and other gender studies

Criminological Research Lesley Noaks, Emma Wincup, 2004-03-18 Noaks and Wincup's book is useful primarily to criminology students for its clarity use of illustrative case studies exercises and end of chapter suggested further reading The Howard Journal of Criminal Justice Criminological Research offers a comprehensive guide to both the theory and practice of qualitative criminological research Through a detailed yet concise explanation the reader is shown how a variety of methods

and approaches work and how their outcomes may be interpreted Practically focused throughout the book also offers constructive advice for students analysing and writing their research projects Key features of the book include An innovative framework combining different methodologies and approaches A variety of real life examples and case studies enriches the book for the reader A set of practical exercises and further reading sections in each chapter pedagogical and student focussed throughout A broad coverage includes discussions of ethnography interviewing documentary evidence and data analysis A detailed and practical discussion of the politics of research such as issues of access ethics and confidentiality The book has a flowing narrative and student friendly structure which makes it accessible to students Written by experts in the field it will be an invaluable resource for students and researchers helping them to undertake effective research in both criminology and courses in qualitative research in related disciplines

Qualitative Methods for Health Research Judith Green,Nicki Thorogood,2004-05-25 Using examples from health research projects in a wide range of settings this book introduces public health health services research nursing and health promotion professionals and students to the key debates in qualitative methodology issues in designing ethical and feasible projects the main methods of collecting and analyzing qualitative data and ways of reading and writing qualitative research

Qualitative Research in Sociology Amir Marvasti,2004 Qualitative Research in Sociology offers a hands on guide to doing qualitative research in sociology It provides an introductory survey of the methodological and theoretical dimensions of qualitative research as practiced by those interested in the study of social life Through a detailed yet concise explanation the reader is shown how these methods work and how their outcomes may be interpreted Practically focused throughout the book also offers constructive advice for students analyzing and writing their research projects The book has a flowing narrative and student friendly structure which makes it accessible to and popular with students It will be an invaluable resource for students and researchers helping them to undertake effective qualitative research in both sociology and courses in social research across the social sciences

FAQs About Using Documents In Social Research Introducing Qualitative Methods Series Books

What is a Using Documents In Social Research Introducing Qualitative Methods Series PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Using Documents In Social Research Introducing Qualitative Methods Series PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Using Documents In Social Research Introducing Qualitative Methods Series PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Using Documents In Social Research Introducing Qualitative Methods Series PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Using Documents In Social Research Introducing Qualitative Methods Series PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
