Using Italian Using Italian:

Using Italian J. J. Kinder, V. M. Savini, 2004-07 This 2002 book is a guide to Italian usage for students who have already acquired the basics of the language and wish to extend their knowledge Unlike conventional grammars it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers Careful consideration is given throughout to questions of style register and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech It surveys the contemporary linguistic scene in Italy and gives ample space to the new varieties of Italian that are emerging in modern Italy The influence of the dialects in shaping the development of Italian is also acknowledged Clear readable and easy to consult via its two indexes this is an essential reference for learners seeking access to the finer nuances of the Italian language

Using Italian John J. Kinder, 2004 This is a guide to Italian usage for students who have acquired the basics of the language and wish to extend their fluency and confidence It gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers and to questions of style and register

Patron in New York Diego Mantoan,2022-09-06 The book presents the long lost biography of Lionello Perera principal banker patron and philanthropist of the Italian American community in New York at the inception of the twentieth century Born and raised in Venice Lionello Perera took over his uncle s financial activity in Wall Street and developed the family business into a stronghold of the Italian American community His remarkable career led him to become the Vice President of Bank of America in 1928 as an associate of California born Amadeo P Giannini while he also was instrumental to the political success of New York mayor Fiorello La Guardia Recognised as a true founding father of the Italian American community of the East Coast he supported welfare societies and public hospitals to foster the integration of Italian immigrants A close friend of star conductor Arturo Toscanini Lionello Perera and his wife Carolyn Allen Perera turned into influential music patrons for Italian and Jewish musicians Their unique Art Deco house in the Upper East Side became an epicentre of the New York music world showcasing the banker s refined art collection that matched the taste of J Pierpont Morgan and Samuel H Kress The book relies on unprecedented archival material rendering justice to the relevance Lionello Perera holds as a contributor to the political social and cultural integration of Italians in the USA It offers an innovative perspective that considers the tight interrelation of Italian Americans of the East Coast with ongoing events in their country of origin Lionello

Perera's life highlights the silent contribution of Italian Americans to change the US banking system and help the integration of Italian immigrants in their new country. Hence the main audience are students and scholars interested in the history of immigration, banking history, Italian American culture, as well as music studies and art history.

Tutto bene! Italian course for beginners Level 1 Elio Guarnuccio, Annamaria Iacovacci, Francesca Lavagna, 2020-01-28

Tutto bene is an entertaining and comprehensive multi-level Italian language course for beginners uniquely designed for both the classroom and a high degree of independent learning. Based on the communicative approach, the course comprises a combination of components in a range of media. Book 1 is for beginners. In this level, you will learn the survival language you need to get by in Italy. Learn to greet people and introduce yourself. Get to know someone by discussing where they're from and exchanging contact details. Be able to describe yourself and others. Order food like an Italian and express your likes and dislikes. Arrange an outing or a dinner. Book a hotel room and make sure it has what you need at the right price.

Tutto bene Book 1 provides the perfect balance enabling you to enjoy the language while developing an understanding of the grammar. It will give you a strong foundation and the confidence to further develop your Italian. The key components for each level of *Tutto bene* are as follows:

Tutto bene book: The book presents the *Tutto bene* course in a format designed primarily for the classroom but accessible to the independent learner and complementary to the app. Each level of the course comprises a book with ten self-contained yet progressively linked lessons. Each lesson is carefully structured to introduce new language via an episode of the sitcom series followed by graduated conversation practice ranging from limited to more open-ended dialogues where students apply the language they've acquired. Listening and responding activities are integral to each lesson as are the simple explanations and deductive activities enabling students to understand the grammar. Writing activities are given at the end of every lesson and may be completed in class or later.

Tutto bene sitcom: In the *Tutto bene* sitcom series, we follow an almost normal group of friends through their quotidian ups and downs living and working in Rome and on holidays in other parts of Italy. The off-beat humour, original soundtrack, and idiosyncrasies of the characters in these short episodes are both entertaining and a great stimulus for learning while importantly also serving to make the language memorable. By viewing an episode multiple times at intervals and particularly before starting a new lesson, students will recognise their progress with the language and gain a sense of accomplishment. The sitcom series is the foundation of the course with a short episode of under four minutes' duration introducing the new language and themes for each lesson in the book and on the app. All episodes of the series can be easily accessed in and out of the classroom. Search for Lingopont *Tutto bene* on YouTube or download the Lingopont Italian app.

Tutto bene app: The app delivers the *Tutto bene* course in an interactive mobile format allowing maximum learning flexibility. It is both a vibrant alternative to the classroom for wholly independent learners as well as a rich resource for classroom students to further revise, consolidate, and practise. The app offers an engaging and culturally immersive learning experience with instant feedback for students to monitor their progress. With a transparent structure and

supported step by step learning in all the skills students have the choice of working progressively through the course or working selectively on a particular area Each lesson comprises an episode of the Tutto bene sitcom series followed by vocabulary building speaking listening pronunciation and writing activities and culminates in a quiz There is also a grammar reference for each lesson Download the Lingopont Italian app from the app store

The Italian Language Today Anna Laura Lepschy,Guilio Lepschy,2013-11-05 a truly authoritative short Italian grammar possibly the best concise account now available in any language The Times Literary Supplement a stimulating and scholarly introduction to Italian for the serious student It contains a great deal of original material and the authors unequivocal attitudes to the linguistic reality of modern Italy make it important that it should be read and discussed by Italianists everywhere The Times Higher Education Supplement a major new contribution to the literature in English it will be an essential part of the linguistic formation of every Italianist The Year s Work in Modern Language Studies Recently revised to bring it completed up to date this book remains a unique source on the Italian language as it is actually spoken and written in Italy The combination of historical perspective and contemporary grammar make it particularly useful for Italian linguistics

Patriarchal Structures and Ethnicity in the Italian Community in Britain Azadeh Medaglia,2019-07-16 First published in 2001 this book retraces the chronological history of the Italian Diaspora community in Britain from its inception in the eighteenth century to the present The author describes the immigrants way of life patterns of occupation gender relations and modes of integration in the host country In addition the book focuses on the role of religion an institution which has traditionally reinforced both Italian cultural identity and unequal gender relations Until now most ethnic studies have been carried out on racialized minorities those with physical differences and they have generally failed to emphasize the gender relations within minority communities

The Italian American Table Simone Cinotto, 2013-10-30 Best Food Book of 2014 by The Atlantic Looking at the historic Italian American community of East Harlem in the 1920s and 30s Simone Cinotto recreates the bustling world of Italian life in New York City and demonstrates how food was at the center of the lives of immigrants and their children From generational conflicts resolved around the family table to a vibrant food based economy of ethnic producers importers and restaurateurs food was essential to the creation of an Italian American identity Italian American foods offered not only sustenance but also powerful narratives of community and difference tradition and innovation as immigrants made their way through a city divided by class conflict ethnic hostility and racialized inequalities Drawing on a vast array of resources including fascinating rarely explored primary documents and fresh approaches in the study of consumer culture Cinotto argues that Italian immigrants created a distinctive culture of food as a symbolic response to the needs of immigrant life from the struggle for personal and group identity to the pursuit of social and economic power Adding a transnational dimension to the study of Italian American foodways Cinotto recasts Italian American food culture as an American invention resonant with traces of tradition

A Sociolinguistic Insight into the Italian Community in the UK Siria Guzzo, 2014-11-19 The Italian diaspora throughout the world navigate and negotiate various complex and multidirectional language dynamics In order to account for the sociolinguistic processes that have taken place this book provides a detailed observation of these linguistic dynamics from the point of view of the Italian diaspora in Bedford in the UK This study on the language behaviour of three generations of Italian residents in Bedford provides empirical data on and highlights the importance of the sociolinguistic examination of English in service encounters What comes to light in most of the cases analysed is that audience design has a proven influence on the choice of language and repertoire within the speech of the Bedford Italian community There are not only switches from one language to another but also style shifts in the linguistic repertoire Throughout this study it becomes clear that speakers freely use the two languages available to their speech community and thanks to their active and passive repertoire they apply a range of linguistic resources from both Italian and English The volume also uncovers some especially interesting traits in 3rd generation speech involving in particular a rather widespread use of mixed pronunciation Upon moving past the initial assumption that the adoption of this mixed pronunciation is used to show the younger generation s sense of belonging to the BI community a quite different reason emerges Closer analysis reveals that due to an increasing feeling of non Britishness this linguistic choice may be linked to a deliberate and conscious attempt on their part not to accommodate to British culture and in so doing to distance themselves further from it Preface by David Britain

Italian Folk Joseph Sciorra, 2011 Sunday dinners basement kitchens and backyard gardens are everyday cultural entities long

associated with Italian Americans yet the general perception of them remains superficial and stereotypical at best. For many people these scenarios trigger ingrained assumptions about individuals' beliefs, politics, aesthetics, values, and behaviors that leave little room for nuance and elaboration. This collection of essays explores local knowledge and aesthetic practices often marked as folklore as sources for creativity and meaning in Italian American lives. As the contributors demonstrate, folklore provides contemporary scholars with occasions for observing and interpreting behaviors and objects as part of lived experiences. Its study provides new ways of understanding how individuals and groups reproduce and contest identities and ideologies through expressive means. *Italian Folk* offers an opportunity to reexamine and rethink what we know about Italian Americans. The contributors to this unique book discuss historic and contemporary cultural expressions and religious practices from various parts of the United States and Canada to examine how they operate at local, national, and transnational levels. The essays attest to people's ability and willingness to create and reproduce certain cultural modes that connect them to social entities such as the family, the neighborhood, and the amorphous and fleeting communities that emerge in large-scale festivals and now on the Internet. Italian Americans abandon, reproduce, and/or revive various cultural elements in relationship to ever-shifting political, economic, and social conditions. The results are dynamic hybrid cultural forms such as *valtaro*, accordion music, Sicilian oral poetry, a Columbus Day parade, and witchcraft (*stregheria*). By taking a closer look and an ethnographic approach to expressive behavior, we see that Italian American identity is far from being a linear path of assimilation from Italian immigrant to American of Italian descent but is instead fraught with conflict, negotiation, and creative solutions. Together, these essays illustrate how folklore is evoked in the continual process of identity revaluation and reformation.

Italian Women's Experiences with American Consumer Culture, 1945-1975 Jessica L. Harris, 2020-06-30. This book analyzes the spread of American female consumer culture to Italy and its influence on Italian women in the postwar and Cold War periods, eras marked by the political, economic, social, and cultural battle between the United States and Soviet Union. Focusing on various aspects of this culture: beauty and hygiene products, refrigerators, and department stores, as well as shopping and magazine models, the book examines the reasons for and the methods of American female consumer culture's arrival in Italy: the democratic consumer capitalist messages, its products sought to sell to Italian women, and how Italian women themselves reacted to this new cultural presence in their everyday lives. Did Italian women become the American Mrs. Consumer? As such, the book illustrates how the modern consuming American woman became a significant figure not only in Italy's postwar recovery and transformation but also in the international and domestic cultural and social contests for the hearts and minds of Italian women.

Napoli/New York/Hollywood Giuliana Muscio, 2018-10-30. *Napoli New York Hollywood* is an absorbing investigation of the significant impact that Italian immigrant actors, musicians, and directors and the southern Italian stage traditions they embodied have had on the history of Hollywood cinema and American media from 1895 to the present day. In a unique exploration of the transnational communication between American and Italian film

industries media or performing arts as practiced in Naples New York San Francisco and Los Angeles this groundbreaking book looks at the historical context and institutional film history from the illuminating perspective of the performers themselves the workers who lend their bodies and their performance culture to screen representations In doing so the author brings to light the cultural work of families and generations of artists that have contributed not only to American film culture but also to the cultural construction and evolution of Italian ness over the past century Napoli New York Hollywood offers a major contribution to our understanding of the role of southern Italian culture in American cinema from the silent era to contemporary film Using a provocative interdisciplinary approach the author associates southern Italian culture with modernity and the immigrants preservation of cultural traditions with innovations in the mode of production and in the use of media technologies theatrical venues music records radio ethnic films Each chapter synthesizes a wealth of previously under studied material and displays the author s exceptional ability to cover transnational cinematic issues within an historical context For example her analysis of the period from the end of World War I until the beginning of sound in film production in the end of the 1920s delivers a meaningful revision of the relationship between Fascism and American cinema and Italian emigration Napoli New York Hollywood examines the careers of those Italian performers who were Italian not only because of their origins but because their theatrical culture was Italian a culture that embraced high and low tragedy and comedy music dance and even acrobatics naturalism and improvisation Their previously unexplored story that of the Italian diaspora s influence on American cinema is here meticulously reconstructed through rich primary sources deep archival research extensive film analysis and an enlightening series of interviews with heirs to these traditions including Francis Coppola and his sister Talia Shire John Turturro Nancy Savoca James Gandolfini David Chase Joe Dante and Annabella Sciorra

Interpreting Italians Jeffrey Bailey, 2015-07-28 The primary goal of this volume is to help prepare foreign visitors for what awaits them and to offer a deeper insight into a culture and way of life that has held so many millions in its thrall Interpreting Italians is a socio cultural travel guide designed for people whose interest in Italy goes beyond the readymade impression or the hackneyed clich It is a serious effort to understand what the Italian temperament actually is how it came to be and the impact it has had both on Italians themselves and on the outsiders who attempt to live intimately and knowledgeably among them To this end it offers a thoughtful interpretation of those aspects of Italian culture and history furbizia and bella figura the piazza and the casa the role of the mother the extravagance of the Baroque and the personal as well as architectural significance of the fa ade that have at once reflected and compounded Italians attitudes to foreigners and to each other by examining their approaches to love and sex religion and politics food and the family language and bureaucracy regionalism and immigration sport and the Mafia The book consists of eighteen concise but well documented essays and five appendices that in addition to an extensive reading list provide practical suggestions to visitors relating to the preparation of menus and the selection of walking tours and excursions to sites often overlooked by the casual tourist Interpreting Italians will be a

useful aid to anyone truly curious about discovering what makes Italians tick
