Marriage with a Mission Sharon Rose, 2024-08-23 *Marriage with a Mission* The Glory of God in Your Marriage is a treatise on Marriage as it was meant to be Marriage was intended for the couple to experience God's glory lavished on each other by each other and in turn poured out on the world around them God's glory in marriage is nothing but His absolute compassion and mercy slowness to anger unfailing love impeccable faithfulness kind forgiveness and His refusal to excuse guilty actions The mission of such a marriage is to diffuse God's glory through these attitudes throughout the world beginning with the inner circle of marriage and family The author hopes that looking at such topics as the priority of worship the difference between the roles of the husband and the wife communication as a marital life preserver accountability speeding up the process of holiness sexual bonding and healthy financial management will help to bring into clear focus the mission of a Christian marriage If these were all incorporated into the marriage what a glimpse of heaven on earth that

would be The Crisis in the Churches Robert Wuthnow,1997-03-06 At a time when already overworked clergy are being called upon by budget cutting politicians to do more for the poor the sick and the elderly American churches are suffering persistent financial shortfalls In fact contrary to popular media images of millionaire televangelists America s churches are cutting back programs and staff clergy salaries are stagnating and many parishes are having trouble raising enough money to keep the church lit and heated on Sunday Why are America s churches in financial distress Robert Wuthnow a leading commentator on religious life in America asserts that the steady drop in donations volunteering and personal involvement is a direct result of a spiritual crisis a crisis caused in large part by the clergy s failure to address the vital relationships between faith and money work stewardship giving and economic justice In *The Crisis in the Churches* Wuthnow offers a searching study of this financial crisis and of the spiritual vacuum that has silently grown worse during the past decade To do this he lets the churches speak for themselves quoting extensively from interviews with clergy and laity in sixty Protestant and Catholic congregations throughout the U S and drawing from the texts of over 200 sermons from church financial records and a national survey What emerges is that parishioners often feel the church does not care about what they do from Monday to Friday offers no guidance in their most pressing day to day concerns yet always seems to be asking for more money Clergy for their part say they hesitate to talk about finances because they know the money question makes people uncomfortable But failure to raise the subject often makes it necessary to cut the very programs and services that middle class parishioners desire and would support Wuthnow argues that in order to survive churches must find ways to minister to the economic concerns of their own middle class parishioners Indeed of every 1 000 received by churches 900 comes from people who work in middle class occupations Clearly anything that motivates middle class members to become more involved will strengthen a church s financial well being and capacity to serve its people Although the situation is critical Wuthnow finds much cause for hope He points to ideas and programs that some churches have enacted to challenge their members to think differently about work and money and giving Parishioners sometimes respond positively when clergy speak boldly and concretely about matters of faith and finance and some churches have formed small groups whose members meet regularly to discuss issues of spirituality work personal finances and stewardship A serious and sympathetic examination of the crisis behind the stained glass this thought provoking volume will be highly valuable both practically and as moral support to clergy parishioners and anyone else concerned about restoring vitality and significance to American churches *CALLED TO BE A SOLDIER* AKINBOWALE ISAAC ADEWUMI,2021-01-04 A Christian soldier simply means a real Christian lifestyle on earth He s called sanctified and set apart for God s purposes and uses Among the crooked and perverted generation he lives like salt and light in a dark world Not just a Christian but soldier well trained disciplined matured equipped and empowered by God s Spirit for effective use of God s armor at his disposal to fight the spiritual warfare A Christian soldier simply means a real Christian lifestyle on earth He s called sanctified and set apart for God s purposes and uses Among the crooked and
