The Shortest Leap A. L. Van Den Herik, 2020-04-28 All worldviews require a leap of faith but not all leaps of faith are the same A one stop shop for the rational evidence for Christianity The Shortest Leap presents the scientific historical biblical and explanatory underpinnings of the Christian faith demonstrating that faith in Jesus requires the shortest leap In addition to providing proactive evidence for Christianity The Shortest Leap responds to the numerous shots fired at biblical Christianity by atheists critics of Christianity and other skeptics The Shortest Leap answers a wide range of difficult questions including Is the Bible consistent with the findings of cutting edge secular science Was there really a man named Jesus or is he just a myth And even if he did exist aren't the events of Jesus life and his teachings as described in the New Testament merely fabrications of the earliest Christians Does the historical evidence support the claim that Jesus rose from the dead To understand who Jesus really was why shouldn't we consider other documents outside the Bible such as the Gnostic gospels Why were some documents excluded from the New Testament Did Jesus really claim to be God or did the earliest Christians just want to believe that Is the Old Testament still relevant Does it really point to Jesus hundreds to thousands of years before he lived How does the salvation by grace of Christianity differ from the salvation by works of all other religions Why can't I just believe in the Jesus that I like the best How can I be sure I have eternal life *A Definition and Critique of Postmodernism* Bruce Proctor, 2012 Bruce A Proctor is a native of Dallas Texas but spent most of his youth growing up in Los Angeles California He graduated from Oklahoma Christian College B A in 1973 from Dallas Theological Seminary Th M in 1981 and Louisiana Baptist University Ph D in 2011 Bruce has held various ministerial positions including pastor youth counselor and pastor prison ministry leader and college professor Bruce has taught Bible Exposition Theology Old and New Testament history and Church History at various Christian schools Southern Bible Institute D Edwin Johnson Bible Institute both in Dallas TX True Vine Baptist Bible Institute in Spencer OK and at the Ministry Training Institute an extension of Oklahoma Baptist University in Shawnee OK Bruce and his wife Patricia reside in San Antonio Texas They have eight adult children Postmodernism is difficult to define because it rejects absolute meaning However I found it worth trying to define it by looking at other authors attempts to define it It was easier for me to describe than define it Much discussion is also given to the definition of the emergent church movement including its fundamental tenets and marks along with signs of drifting toward it Next the idea of postmodernism is weaved into the description of condemned mankind according to

Romans 1:18-32 The description given is clearly relevant to the postmodern mindset as men who suppress the truth in unrighteousness verse 18 In my conclusion I discuss the power of truth and the loss of truth due primarily to a loss of focus However in the Person of Jesus Christ Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions
