Why Work Isn't Working Anymore:

Why Work Isn't Working Anymore Jim Karger, Fritz Aldrine, 2005 Less than half of all employees today are satisfied with their jobs After years of meager raises and mass layoffs employees do not believe employers care about them beyond their utility as human resources Corporate America has done little to reverse the precipitous decline in employee morale Most companies deny it exists in their own organizations Others have tried to improve morale with fancy mission statements renominating employees as team members making less look like more and balancing work and life as if those were two different experiences None of these solutions have been effective In this fascinating well researched book two experienced labor lawyers reveal why work isn't working anymore for most employees how and why companies have failed to reverse the decline in employee satisfaction and workplace happiness by relegating the entire workplace experience to economics and how managers and supervisors can make a positive difference by creating meaningful relationships with their employees using the authors Credible Connections relationship based management model *The Secret Life of the Corporate Jester* David T. Riveness, 2006-07 In the early 12th century members of the Chinese royal court found themselves surrounded by advisors who mirrored only their own perspectives Out of fear and complacency few of these advisors challenged accepted wisdom questioned the status quo or voiced their concerns Insightful leaders realized this denied them critical access to the reality about themselves and their organizations Court jesters however free from conventional restraints and fears began to supply truth in very clever ways thereby opening up new perspectives insights ideas and options for those leaders they attended Today more than ever individuals are searching for ways to positively contribute to organizational leadership culture and behavior To do that successfully they need insight into organizational truth as well as strategies to reveal that truth to others in a way that does not cause defensiveness or resistance Jesters are needed as much today just as they were in the courts of old David Riveness in his insightful and entertaining book *The Secret Life of the Corporate Jester* reveals how to adopt and apply a jester's perspective The perspective and behaviors of a jester can be understood and adopted by anyone regardless of his or her organization role or position Those who apply what they learn from this book can wield significant influence and bring about remarkable positive change David Riveness is the founder and CEO of Corporate Jester an organization created to assist individuals and organizations learn develop and apply strategies for success As part of this role he delivers personalized keynote addresses learning sessions and coaching for companies organizations and individuals Prior to founding Corporate Jester David served as the Director of Global Facilitations for Eagle's Flight a worldwide innovator in the development and delivery of practical training programs for organizations While at Eagle's Flight he facilitated and implemented training programs with such industry leaders as Warner Bros NIKE ESPN Pfizer The American Heart Association and Citibank on a variety of topics relating to organizational and individual effectiveness David has hosted dynamic training workshops and speaking engagements ranging from small groups to large workshops with 3 500 attendees

He has worked as a facilitator and speaker around the world including such diverse locations as India China and Brazil

An Absolute Scandal Penny Vincenzi,2008-06-10 An inside view of the greed and social power plays behind the closed doors of upper crust society An Absolute Scandal looks at a world where money isn't everything sometimes it's the only thing And when the money disappears in the thick of a financial crisis the real story begins For Nigel Cowper this means the destruction of his family business his wife Lucinda is willing to do everything she can to help him except give up her irresistible lover The powerful charismatic banker Simon Beaumont and his equally successful wife Elizabeth lose everything they've worked so hard to acquire but the ultimate tragedy is something that neither one could have anticipated Yet the well to do are not the only ones whose lives are upended a self-sufficient widow a single mother and a schoolmaster find that their lives are also turned upside down in this deliciously readable tale *Guiding Your Child Through Grief* James P.

Emswiler,Mary Ann Emswiler,2000-08-01 Give your child the help and support needed to cope with grief and loss *Guiding Your Child Through Grief* by the founders of the New England Center for Loss Transition and The Cove a highly praised program for grieving children takes away the uncertainty and helpless feelings we commonly feel as we reach out to children who mourn This caring and compassionate guide offers expert advice during difficult days to help a child grieve the death of a parent or sibling Based on their experience as counselors and as parents of grieving children the authors help readers to understand The many ways children grieve often in secret Changes in family dynamics after death and straightforward effective ways to ease the transition Ways to communicate with children about death and grief How to cope with the intense sorrow triggered by holidays The signs grief has turned to depression and where to find help And more insights information and advice that can help a child heal [Harlequin Romantic Suspense May 2014 Bundle](#) Marie Ferrarella,Jennifer

Gundry,2010-07-01 Verse by verse explanations with a literal translation Shouldn t a Bible commentary clarify what God s Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that s easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings **SAMPLE TEXT OF TRANSLATION JOHN S PREDICTING A MORE POWERFUL BAPTIZER THAN HE** Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God s Son according as it s written in Isaiah the prophet Behold I m sending my messenger before your face ahead of you who ll pave your way the road you ll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God s Word **SAMPLE TEXT OF COMMENTS** Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews

would think of the good news of an emperor's accession to power, birthday visit to a city, military victory, or bringing of prosperity to the empire. But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms. The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message, the voice of one crying out, not a book, though because books like Mark's contain that proclaimed message, the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel. Social Workers' Desk Reference Albert R. Roberts, Gilbert J. Greene, 2002. Following in the groundbreaking path of its predecessor, the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice.
