The Wit And Wisdom Of Gracie An Opinionated Pugs Guide To Life:

The Wit and Wisdom of Gracie Patti Davis, 2014-07-01 Lessons in life love and running in packs from one remarkable pug The first thing Gracie remembers is being at the bottom of a big pile of other dogs scrambling as hard as she could to get a taste of her mother's milk Life is sweet but life as always has to change One day a friendly new woman picks Gracie up in her arms hugging her so tightly it seems she will never let go This is Gracie's new mommy who has come to take this headstrong young pug on the adventure of a lifetime Gracie moves to a new house which is ruled with an iron paw by a no nonsense feline named Aretha Gracie is descended from wolves and she knows enough about her ancestors to understand that not every critter gets to run the pack Everyone in this little family has their part to play and Gracie is determined to be the best pug she can be no matter what life throws her way

Dear Mom and Dad Patti Davis, 2024-02-06 A remarkably poignant writer for our troubled times Patti Davis writes about love loss and the power of redemption in this poetic letter to her long gone parents Written with dignity and grace in the form of a letter to her parents Ronald and Nancy Reagan Dear Mom and Dad is that surprisingly poignant work that succeeds not only as a memoir but as a moving account that will inspire readers to recall their own childhoods in a totally new light Eager to retell the narrative of her own family and her coming of age Patti Davis casts aside misperceptions that defined her in the past Far from being the enfant terrible Dear Mom and Dad reveals young Patti as a sensitive child who was not able to be the public person her family demanded Just as she re-examines her own role in an increasingly dysfunctional family drama Davis casts an empathetic yet honest eye on her parents on her father the eternal lifeguard who saved seventy seven people yet failed to create a coherent AIDS policy and her mother who never escaped her own tortured youth What comes across are Davis's burnished skills as a writer something she always dreamed of becoming Even as she unravels her mother's highly edited persona and her father's loving but distant personality Davis remains steadfast in her artistic expression as she melds irony comedy and tragedy with dreamlike memories of an ever present past Dear Mom and Dad with its account of her father's Alzheimer's and her mother's end of life struggles becomes an account of forgiveness reaching levels of redemption rarely found in contemporary memoirs

A Pug's Guide to Good Manners Gemma Correll, 2023-09-12 Follow the way of the pug and learn the correct behavior in all

situations from the park to the dinner table Pugs play by their own set of rules When you want them to sit they stand when you want them to stay they go and when you want them to stop eating that unidentified item on the floor well Traditional schools of canine thought put this behavior down to a stubborn refusal to be trained that s inherent in the breed Not so This behavior is in fact down to an ancient set of rules passed down from pug generation to pug generation A Pug s Guide to Good Manners attempts to explain these rules thereby advancing pug human relations to hitherto unprecedented heights
