**The Good Spy** Kai Bird, 2014-05-20 The Good Spy is Pulitzer Prize winning biographer Kai Bird's compelling portrait of the remarkable life and death of one of the most important operatives in CIA history a man who had he lived might have helped heal the rift between Arabs and the West On April 18 1983 a bomb exploded outside the American Embassy in Beirut killing 63 people The attack was a geopolitical turning point It marked the beginning of Hezbollah as a political force but even more important it eliminated America's most influential and effective intelligence officer in the Middle East CIA operative Robert Ames What set Ames apart from his peers was his extraordinary ability to form deep meaningful connections with key Arab intelligence figures Some operatives relied on threats and subterfuge but Ames worked by building friendships and emphasizing shared values never more notably than with Yasir

Arafat's charismatic intelligence chief and his apparent Ali Hassan Salameh aka The Red Prince Ames deepening relationship with Salameh held the potential for a lasting peace. Within a few years though both men were killed by assassins and America's relations with the Arab world began heading down a path that culminated in 9/11 the War on Terror and the current fog of mistrust. Bird who as a child lived in the Beirut Embassy and knew Ames as a neighbor when he was twelve years old spent years researching *The Good Spy*. Not only does the book draw on hours of interviews with Ames' widow and quotes from hundreds of Ames' private letters it's woven from interviews with scores of current and former American Israeli and Palestinian intelligence officers as well as other players in the Middle East Great Game. What emerges is a masterpiece level narrative of the making of a CIA officer a uniquely insightful history of twentieth century conflict in the Middle East and an absorbing hour by hour account of the Beirut Embassy bombing. Even more impressive Bird draws on his reporter's skills to deliver a full dossier on the bombers and expose the shocking truth of where the attack's mastermind resides today.

Language in Society in Bangladesh and Beyond Shaila Sultana, Mian Md. Naushaad Kabir, Md. Zulfeqar Haider, Mohammad Moninoor Roshid, M. Obaidul Hamid, 2023-11-29 This collection presents a holistic picture of the sociolinguistic landscape in Bangladesh offering a critical understanding of language ideologies and social inequalities in the country as they connect more widely to dynamics in the Global South. The book seeks to untangle the voices embedded in the language practices of a range of communities and professions in the region which have been little studied in the literature and encourage a rethinking of the relationships between language and nationality class ethnicity race and gender. Highlighting perspectives from established and emerging researchers and drawing on a wide range of theoretical approaches and methodologies the volume is organized around such key themes as bilingualism and diglossia language variation across domains language and identity in literature and the interconnectedness of language identity and globalization. Taken together the collection calls attention to the socially and spatially situated nature of language practices in Bangladesh and in turn the ways in which scholars in the Global South make sense of the sociolinguistic landscape at both the local and global levels. This book will appeal to scholars working in sociolinguistics particularly those working on language policy language and identity language variation and in or about the Global South.
