Using Illustrations To Preach With Power Revised Edition:

Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they re important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done

Preaching That Comes Alive Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers

Thoughtful Proclaimer Elizabeth Wright Anderson, 2017-10-23 Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commanders intent Gods purpose for every passage of scripture Gods intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners
