Wegner, 2008-10-01 Using Old Testament Hebrew in Preaching provides seminary trained preachers and preachers in the making with a refresher in Hebrew exegesis a description of the tools they need a process of transforming exegesis into exposition and a reminder of the benefits both to the preacher and congregation of using the original language It is intended as a Hebrew counterpart to David Alan Black's widely acclaimed Using New Testament Greek in Ministry Baker 1993 *From Exegesis to Exposition* Robert B. Chisholm, 1999-05 Inspires and instructs students and pastors to use the Hebrew Bible appropriately in their preaching and teaching Includes sample sermons and lessons Journal of Biblical and Theological Studies, Issue 4.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-12-09 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics Applying the Sermon Daniel Overdorf, 2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homiletics bask at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people's lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with Applying the Sermon This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today's most respected homiletics Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf's Applying the Sermon also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques **World Mission** Scott N. **How to Preach the Prophets for All Their Worth** Andrew G. M. Hamilton, 2022-05-24

The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon, similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church, however, needs to hear and respond to the beauty, depth, and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers, etc. to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity, and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.
