with life the everyday normal kind and shows us how to make an eternal difference Living a Life That s Hard to Ignore The thing about small barking dogs is that they can t be ignored They may not be show dog material or win outstanding awards but through their persistence and insistence they make themselves known Only a handful of people ever achieve notoriety and greatness but the energizing truth of One Small Barking Dog is that every single one of us can change the world New York Times bestselling author Ed Gungor debunks the big dog lie and clearly teaches ordinary people how to live out their faith in a way that not only changes the world we live in now but that affects lives for eternity By the time you finish this book you won t be worried about being small You ll be ready to take on the world You ll know how to live a life that can t be ignored Whether you ve just graduated from school or you ve been at this life for many years Ed Gungor s concrete principles and simple life wisdom will show you new ways to make a big impact on your world
