As a result, only one of the 100,000+ communities left has a viable connection to any one place in order to comply with Clean Air Act. The remaining 99,999 communities are "isolated, disconnected, and lost" communities, isolated from each other and from industrial and commercial centers.

TRANSITION: Failure to comply with this requirement will reduce the link to Clean Air, to protection environmentally, to a cleaner environment and may cause state interference, in which case the state may be required to take additional measures.
