Why I Am Still An Anglican Essays And Conversations:

Why I Am Still an Anglican Caroline Chartres, 2007-05-10 Fifteen prominent Anglicans speak up for their church at a time when internal strife threatens to break it apart

The Oxford Handbook of Anglican Studies Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

Anglican Women Novelists Judith Maltby, Alison Shell, 2019-06-27 What do the novelists Charlotte Bront Charlotte M Yonge Rose Macaulay Dorothy L Sayers Barbara Pym Iris Murdoch and P D James all have in common These women and others were inspired to write fiction through their relationship with the Church of England This field defining collection of essays explores Anglicanism through their fiction and their fiction through their Anglicanism These essays by a set of distinguished contributors cover a range of literary genres from life writing and whodunnits through social comedy children's books and supernatural fiction Spanning writers from the nineteenth to the twenty first century they testify both to the developments in Anglicanism over the past two centuries and the changing roles of women within the Church of England and wider society

current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide

Repackaging Christianity Andrew Atherstone,2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha s DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone

leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB s early years the first full account of Nicky Gumbel s conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age **An Unfortunate Coincidence** Didi Herman,2011 This book examines the depiction of Jews and Jewishness in modern English law revealing the role of racial and religious understandings in legal decision making It challenges both assumptions about tolerance and neutrality in English law and any simple narrative of anti-Semitism charting the ambivalent status of Jewish identity in the law *A New Conversation* Robert Boak Slocum,2018-02-22 In these twenty nine essays Episcopalians consider the tradition and the future of their church its theology its polity its missiology These new conversations come from ministers of every order bishop priest deacon laity and from practiced hands at many ministries education theology music chaplaincy and spiritual direction Several essayists write urgently that the Episcopal Church must change if it is to survive Others contend with equal fervor that American Anglicanism can work if Episcopalians will reclaim and reaffirm their liturgical spiritual and theological heritage Between these views are other writers who suggest that points of supposed opposition might indeed coexist in the church of the future taking vibrant and perhaps paradoxical new forms *Proceedings, Abstracts of Lectures and a Brief Report of the Discussions of the National Teachers' Association, the National Association of School Superintendents and the American Normal School Association* National Education Association of the United States,1904 *The Spectator* ,1869 A weekly review of politics literature theology and art **The Laudians and the Elizabethan Church** Calvin Lane,2015-10-06 Notions of religious conformity in England were redefined during the mid seventeenth century for many it was as though the previous century s reformation was being reversed Lane considers how a select group of churchmen the Laudians reshaped the meaning of church conformity during a period of religious and political turmoil *The Oxford Dictionary of the Christian Church* Frank Leslie Cross,Elizabeth A. Jensen, 2019-07-29 Twenty four of today's most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon *Humanities Index*, 1993 **The Catholic Church** Walter Kasper, 2015-02-26 Walter Kasper is already well known and loved throughout the English speaking world He has held high office in the Vatican but until his recent retirement has felt constrained from publishing what he really thinks and his vision of the Church for the future Kasper brings to conclusion a project that has been pursued for years as it joins together his greatest monographs on the subject of God's teaching and Christology The book covers three main topics Nature Reality and the Mission of the Church The introductory section is autobiographical and the reader can see Kasper's personal and theological way in to and with the Church He develops the actual ecclesiological exegesis for Kasper the representation of the Being of the Church is not about empirical description but rather a testimony of being He emphasizes that nobody is able to apply the stereotypical and idealistic image of the heavens to the critical acknowledgement of the church's present The program of the Church is ultimately not self directed but rather remains oriented towards the finalization of the arrival of the kingdom of God and the spiritual healing of the human race **The United States Catalog** Mary Burnham, Carol Hurd, 1928 **Pursuing an Earthy Spirituality** Gary S. Selby, 2019-05-21 Engaging the writings of C S Lewis Gary Selby contends that spiritual formation comes about not by retreating from the physical world but through deeper engagement with it By considering themes such as our human embodiment our sense of awareness in our everyday experiences and the role of our human agency Selby demonstrates that an earthy spirituality can be a robust spirituality
