Classes, Cultures, and Politics Clare V. J. Griffiths, James J. Nott, William Whyte, 2011-04-07 This volume investigates the fields in British history that have been illustrated by the works of Ross McKibbin Written by a distinguished team of scholars it examines McKibbin's life and thought and explores the implications of his arguments **The Cultural Study of Work** Douglas A. Harper, Douglas Harper, Helene M. Lawson, 2003-11-11 A reader for a sociology course reprinting 23 articles from professional journals They cover work as social interaction socialization and identity experiencing work work cultures and social structure and deviance at work **Women, Culture, and Development** Martha C. Nussbaum, Jonathan Glover, 1995-11-30 This is an open access title available under the terms of a CC BY NC ND 3.0 IGO licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations BL Distinguished editors and contributors BL Addresses questions of some urgency for the question of women's quality of life BL Interdisciplinary ranging over philosophy economics political science anthropology law and sociology BL Combines theory with case studies BL Accessible to non specialist reader BL Sequel to *The Quality of Life* edited by Martha Nussbaum and Amartya Sen applying the capabilities approach outlined in that volume BL Topical challenges politically correct relativist approaches and discusses the validity of charges of cultural imperialism levelled at Western aid and intervention policies Women a majority of the world's population receive only a small proportion of its opportunities and benefits According to the 1993 UN Human Development Report there is no country in the world in which women's quality of life is equal to that of men This examination of women's quality of life thus addresses questions which have a particular urgency It aims to describe the basic situation of all women and so develops a universal account that can answer the charges of Western imperialism frequently made against such accounts The contributors confront the issue of cultural relativism criticizing the relativist approach which in its desire to respect different cultural traditions can result in indifference to injustice An account of gender justice and women's equality is then proposed in various areas in which quality of life is measured These issues are related throughout to the specific contexts of India Bangladesh China Mexico and Nigeria through a series of case studies Disciplines represented include philosophy economics political science anthropology law and sociology Like its predecessor *The Quality of Life* this volume encourages the reader to think critically about the central fundamental concepts used in development economics and suggests major criticisms of current economic approaches from that fundamental viewpoint Contributors Martha Nussbaum Marty Chen Susan Wolf Jonathan Glover Onora O'Neill David Crocker Hilary Putnam Linda Alcoff Amartya Sen Susan Moller Okin Ruth Anna Putnam Cass R. Sunstein Christine M. Korsgaard Catherine Lutz Xiaorong Li Margarita M. Valdes Nkiru Nzegwu The International Covenant on Economic, Social and Cultural Rights Ben Saul, David Kinley, Jaqueline Mowbray, 2014-03 Economic social and cultural rights are finally coming of age This book brings together all essential documents materials and case law relating to the International Covenant on Economic Social and Cultural Rights

ICESCR one of the most important human rights instruments in international law and its Optional Protocol This book presents extracts from primary materials alongside critical commentary and analysis placing the documents in their wider context and situating economic social and cultural rights within the broader human rights framework There is increasing interest internationally regionally and in domestic legal systems in the protection of economic social and cultural rights The Optional Protocol of 2008 allows for individual communications to be made to the UN Committee on Economic Social and Cultural Rights after its entry into force in 2013 At the regional level socio economic rights are well embedded in human rights systems in Europe Africa and the Americas At the national level constitutions and courts have increasingly regarded socio economic rights as justiciable narrowing the traditional divide with civil and political rights This book contextualises these developments in the context of the ICESCR It provides detailed analysis of the ICESCR structured around its articles drawing on national as well as international case law and materials and containing all of the key primary materials in its extensive appendices This book is indispensable for the judiciary human rights practitioners government legal advisers and agencies national human rights institutions international organisations regional human rights bodies NGOs and human rights activists academics and students alike

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Sexual Cultures and Migration in the Era of AIDS Gilbert Herdt, 1997-05-29 Sexual Cultures and Migration in the Era of AIDS is the first demographic anthropological study of what happens to sexual behaviour and the rules of risk taking in sexual encounters when people migrate from countryside to city from one city to another or from one country to another culture It represents a milestone in the study of cross cultural sexuality and sexually transmitted diseases At the foreground of the study are commercial sex and prostitution sexual tourism heterosexual marriage and social pressure and homosexuality and bisexuality in emerging sexual cultures The volume brings together quantitative and qualitative case studies by an international panel of anthropologists demographers

and sociologists aimed at better understanding the impact of human movement and mobility on sexual change and fertility

Engaging Art Steven J. Tepper, Bill Ivey, 2012-08-21 Engaging Art explores what it means to participate in the arts in contemporary society from museum attendance to music downloading Drawing on the perspectives of experts from diverse fields including Princeton scholars Robert Wuthnow and Paul DiMaggio Barry Schwartz author of The Paradox of Choice and MIT scholars Henry Jenkins and Mark Schuster this volume analyzes key trends involving technology audience demographics religion and the rise of do it yourself participatory culture Commissioned by The Wallace Foundation and independently carried out by the Curb Center at Vanderbilt University Engaging Art offers a new framework for understanding the momentous changes impacting America's cultural life over the past fifty years This volume offers suggestive glimpses into the character and consequence of a new engagement with old fashioned participation in the arts The authors in this volume hint at a bright future for art and citizen art making They argue that if we center a new commitment to arts participation in everyday art making creativity and quality of life we will not only restore the lifelong pleasure of homemade art but will likely seed a new generation of enthusiasts who will support America's signature nonprofit cultural institutions well into the future

Masculinities and Culture John Beynon, 2001-11-16 What is masculinity Is masculinities a more appropriate term How are masculinities socially culturally and historically shaped How are particular masculinities created enacted and represented in specific settings How can masculinities best be researched and theorized Masculinities and Culture explores how masculinities or ways of being a man are anchored in time and place the products of socio historical and cultural circumstances It examines the emergence of a masculinity fit for Empire in the mid to late nineteenth century and by way of contrast the more recent media driven commercial New Man and New Lad masculinity The author considers some of the media discourses shaping masculinities today and the formation of specific masculinities in specific settings such as prisons hospitals and schools which both define and in turn are defined by strongly held conceptions of acceptable masculine behaviour He concludes by reviewing a range of ways in which masculinities might be researched from fieldwork and auto biographical and life history approaches through to semiotics and the use of both film and literary texts This lively text provides a comprehensive introduction to contemporary debates concerning masculinities as gendered constructions along with the means of researching and theorizing them

Doing "Women's Work" Christine L. Williams, 1993-08-19 This book summarizes the state of our knowledge on the effects of men in women's professions effects on the men on their views of masculinity on the occupations and on the women they work with Do men get preferential treatment in these positions Do they receive higher salaries Or are they treated the same as their women colleagues Through a series of statistical and demographic analyses as well as case studies of men in professions such as teaching secretarial

work care giving and stripping the contributors give a glimpse of the role of these men in bolstering or undermining the gendered assumptions of occupational sex segregation in the workplace
