Working Class Politics German Revolution Revolutionary:

Working-Class Politics in the German Revolution Ralf Hoffrogge, 2014-09-11 Richard M ller a leading figure of the German Revolution in 1918 is unknown today As the operator and unionist who represented Berlin s metalworkers he was main organiser of the Revolutionary Stewards a clandestine network that organised a series of mass strikes between 1916 and 1918 With strong support in the factories the Revolutionary Stewards were the driving force of the Revolution By telling M ller s story this study gives a very different account of the revolutionary birth of the Weimar Republic Using new archival sources and abandoning the traditional focus on the history of political parties Ralf Hoffrogge zooms in on working class politics on the shop floor and its contribution to social change First published in German by Karl Dietz Verlag as Richard M ller Der Mann hinter der November Revolution Berlin 2008 this english edition was completely revised for the english speaking audience and contains new sources and recent literature

The German Revolution and Political Theory

Gaard Kets, James Muldoon, 2019-05-02 This book is the first collection within political theory to examine the ideas and debates of the German Revolution of 1918 19 It discusses the political theorists and actors of the revolution and uncovers an incredibly fertile body of political thought Revolutionary events led to the proliferation of new political strategies theoretical insights and institutional proposals Key questions included the debate between a national assembly and a council system the socialisation of the economy the development of new forms of political representation and the proper role of parliaments political parties and trade unions This book offers novel perspectives on the history of the revolution a thorough engagement with its main thinkers and an analysis of its relevance for contemporary political thought

A People's History of the German Revolution William Pelz, 2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In A People s History of the German Revolution William A Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country s natural progression into a republic Going beyond the familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society

Revolutionary Politics and the Cuban Working Class Maurice Zeitlin, 2015-12-08 In 1962 the author got into Cuba and interviewed workers on the subject of the Revolution Professor Zeitlin examines the effects of the revolution and the influence of such factors as age race and skill on the workers

attitudes Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Revolutions in Modern German History Andrew G. Bonnell, 2025-05-29 Andrew G Bonnell's innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918-19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945-49 and the revolution in East Germany in 1989-90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times

Debates on the German Revolution of 1918-19 Matthew Stibbe, 2023-05-23 In November 1918 a revolution overthrew the old imperial system in Germany and inaugurated a republic The revolution was formally completed in August 1919 when the social democrat Friedrich Ebert was sworn in as president By this time however many of the revolution's original aims and intentions had been swallowed up by new political concerns and lived experiences For contemporaries the meaning of 9 November changed becoming increasingly contested between rival parties military experts and scholars This book examines how the debate on the revolution has evolved from August 1919 to the present day It takes the reader through the ideological battles of the 1920s and 30s into the equally politicised historical writing of the cold war period It ends with a consideration of the marginalisation of the revolution in academic research since the 1980s and its revival from 2010

A Political Biography of Arkadij Maslow, 1891-1941 Mario Kessler, 2020-04-30 This book is a political biography of Arkadij Maksimovich Maslow 1891-1941 a German Communist politician and later a dissident and opponent to Stalin Together with his political and common law marriage partner Ruth Fischer Maslow briefly led the Communist Party of Germany the KPD and brought about its submission to Moscow Afterwards Fischer and Maslow were removed from the KPD leadership in the fall of 1925 and expelled from the party a year later Henceforth they both lived as communist outsiders persecuted by both Hitler and Stalin Maslow escaped to Cuba via France and Portugal and was murdered under dubious circumstances in Havana in November 1941 He died as a communist dissident committed to the cause of a radical socialist labor movement that lay in ruins Kessler considers Maslow's role in pivotal events such as the Bolshevik Revolution in Soviet revolutionary parties and organizations

through to the rise of Stalinism and Cold War anti communism What results is a deep dive into the life of a key yet understudied figure in dissident communism **Rethinking Revolutions from 1905 to 1934** Stefan Berger, Klaus Weinbauer, 2022-12-13 This edited collection offers a timely and original perspective on the many upheavals and revolutions that broke out across the world during the early twentieth century With previous research tending to confine revolutions within national borders this book sets out to place them within a broader global sphere of thought and action The authors explore the time phase between the Russian Revolution of 1905 and the Asturian Revolution of 1934 including cases from South Africa Australia China the Middle East and Latin America Providing insights from leading scholars in the field this collection highlights the interconnectedness and transnationalism of upheavals and revolutions offering a new approach which integrates political social and cultural history Chapter 8 is available open access under a Creative Commons Attribution 4.0 International License via [Link springer com](https://link.springer.com)

The Complete Works Volume of Rosa Luxemburg: Volume V Rosa Luxemburg, 2024-05-28 This volume is the first to contain all of Luxemburg's eloquent writings on the 1917 Russian Revolution and 1918-19 German Revolution This volume is the first to contain all of Luxemburg's eloquent writings on the 1917 Russian and 1918-19 German Revolutions It also contains articles essays and manuscripts on the European socialist movement prior to World War I and her effort to rebuild the socialist movement on revolutionary foundations in its aftermath Much of this material appears in English for the first time Her incisive contributions on revolutionary strategy the German and Russian Revolutions and the transition to socialism reveal a profound commitment to radical democracy which becomes evident as she elaborates on her lived experience with razor sharp conceptualizations of the mass strike Her democratic commitment is also highlighted in her deepening conflict with the bureaucratic conservatism afflicting the German Social Democratic Party She is horrified yet at the same time grimly analytical while surveying the unfolding violence and brutality of the First World War Deeply inspired by Russia's 1917 upsurge she is nonetheless compelled to analyze and criticize fatal limitations of the Russian Revolution Swept up in the revolutionary chaos sweeping through Germany in 1918-1919 which results in her own martyrdom she gives voice to revolution's final testament I was I am I shall be **The Complete Works of Rosa Luxemburg Volume V** Rosa Luxemburg, 2024-05-28 This volume is the first to contain all of Rosa Luxemburg's eloquent writings on the 1917 Russian and 1918-19 German revolutions Also contained here are articles essays and manuscripts on the European socialist movement prior to World War I and on her efforts to rebuild the socialist movement on revolutionary foundations in its aftermath Much of this material appears in English for the first time Luxemburg's contributions on revolutionary strategy and the transition to socialism reveal a profound commitment to radical democracy which becomes evident as she elaborates on her lived experience with razor sharp conceptualizations of the mass strike Her democratic commitment is also highlighted in her deepening conflict with the bureaucratic conservatism afflicting the German Social Democratic Party She is horrified yet at the same time grimly analytical while surveying the

unfolding violence and brutality of World War I Deeply inspired by Russia's 1917 upsurge she is nonetheless compelled to analyze and criticize fatal limitations of the Russian Revolution Swept up in the revolutionary chaos sweeping through Germany in 1918-19 which results in her own martyrdom she gives voice on the eve of her assassination to the revolution's final testament I was I am I shall be
