Whose Life Is It Anyway Play Script:

Whose Life is it Anyway? Brian Clark, 1993 Raises the question of a person's right to death with a story about a paralyzed automobile victim who wishes to be permitted to die rather than be kept alive by mechanical means while his doctor maintains it is his professional duty to maintain life *Clinical Ethics on Film* M. Sara Rosenthal, 2018-06-08 This book discusses feature films that enrich our understanding of doctor patient dilemmas The book comprises general clinical ethics themes and principles and is written in accessible language Each theme is discussed and illuminated in chapters devoted to a particular film Chapters start with a discussion of the film itself which shares details behind the making of the film box office and critical reception casting and other facts about production The chapter then situates the film in a history of medicine and medical sociology context before it delves into the clinical ethics issues in the film and how to use it as a teaching aid for clinical ethics Readers will understand how each film in this collection served to bring particular clinical ethics issues to the public's attention or reflected medico legal issues that were part of the public discourse The book is a perfect instructor's guide for anyone teaching bioethics healthcare ethics medical sociology medical history healthcare systems narrative medicine or nursing ethics *Drama, Disability and Education* Andy Kempe, 2013 What can society learn about disability through the way it is portrayed in TV films and plays This insightful and accessible text explores and analyses the way disability is portrayed in drama and how that portrayal may be interpreted by young audiences Investigating how disabilities have been represented on stage in the past this book discusses what may be inferred from plays which feature disabled characters through a variety of critical approaches In addition to the theoretical analysis of disability in dramatic literature the book includes two previously unpublished playscripts both of which have been performed by secondary school aged students and which focus on issues of disability and its effects on others The contextual notes and discussion which accompany these plays and projects provide insights into how drama can contribute to disability education and how it can give a voice to students who have special educational needs themselves Other features of this wide ranging text include an annotated chronology that traces the history of plays that have featured disabled characters an analysis of how disability is used as a dramatic metaphor consideration of the ethics of dramatising a disabled character critical accounts of units of work in mainstream school seeking to raise disability awareness through engagement with practical drama and dramatic texts a description and evaluation of a drama project in a special school In tackling questions and issues that have not hitherto been well covered *Drama Disability and Education* will be of enormous interest to drama students teachers researchers and pedagogues who work with disabled people or are concerned with raising awareness and understanding of disability *The Actor's Script* Charles S. Waxberg, 1998 The Actor's Script offers a clear concise and easily assimilated technique for beginning scriptwork specifically tailored to actor's requirements and sensibilities *The Moral Imagination and the Legal Life* Zenon Bankowski, Maksymilian Del Mar, 2016-03-03 What role can resources that go beyond text play in the development

of moral education in law schools and law firms How can these resources especially those from the visual and performing arts nourish the imagination needed to confront the ethical complexities of particular situations This book asks and answers these questions thereby introducing radically new resources for law schools and law firms committed to fighting against the moral complacency that can all too often creep into the life of the law The chapters in this volume build on the companion volume *The Arts and the Legal Academy* also published by Ashgate which focuses on the role of non textual resources in legal education generally Concentrating in particular on the moral dimension of legal education the contributors to this volume include a wide range of theorists and leading legal educators from the UK and the US *Burns Mantle Best Plays and the Year Book of the Drama in America* ,1980 Disabled USA ,1980 **Science Fiction Film Directors, 1895-1998** Dennis Fischer,2011-07-01 This enormous and exhaustive reference book has entries on every major and minor director of science fiction films from the inception of cinema circa 1895 through 1998 For each director there is a complete filmography including television work a career summary a critical assessment and behind the scenes production information Seventy nine directors are covered in especially lengthy entries and a short history of the science fiction film genre is also included
