Spurgeon, Volume 71 Spurgeon, Charles H., Volume 71 Biography A Marvelous Ministry Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a

perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **The Rise of the Kingdom of Heaven, Volume 1 (Paperback)** Gerhard Alm,2008-10-25

Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences I described ten places in our heads as homes of the human spirit There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013 More than 200 000 people live on Earth and at the same time on a parallel world which is a home for immortal people The evangelist John spoke with a Cross of Light I believe that a new Cross of Light will appear on Earth soon In July 1979 I met the devil and his wife on the inner German border I name some people who have been the devil of previous Earth like planets in older universes Alex Collier wrote in 95 that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions I believe these frequencies come from the Immortals living on Earth now including me [The Works of Jonathan Edwards: Volume II - II](#) Jonathan Edwards,2017-03-29 Bringing together a collection of letters between two theologians along with other observations and reflections this volume continues to open the mind of any person wishing to be a serious theologian While many know about the big names such as Calvin or Luther many do not give credence to some of the important landmark works that writers such as Edwards helped to promote **The Methodist Experience in America Volume 2** Russell E.
