Bayou, Whispers from the Past Lauren Faulkenberry, 2016-08-13 New love is put to the test in the sultry bayous of Louisiana in the latest from Family Circle Award Winning Author Lauren Faulkenberry Thirty one year old Enza has finally found love with sexy fireman Jack and through him she has gained a family years after her mother abandoned her With her friend Kate in town Enza's looking forward to her first Christmas in Bayou Sabine surrounded by those she cares about most But instead the holiday ends in turmoil One guest puts someone Enza loves and her relationship with Jack in danger and another guest brings news that

makes Enza question the circumstances surrounding her mother's departure. Enza fleeing Jack and the drama in Bayou Sabine sets off with Kate on a road trip à la Thelma Louise. But will she find answers about her mother's disappearance and the strength to accept the truth? And will she return home in time to save everything that's important to her? If you like the heart and story of novels by Emily Giffin such as *The One Only* and enjoy the romance in books by Robyn Carr, this exciting new voice in Southern fiction is for you.

Author Interview What was your inspiration for the Bayou Sabine series? It started with a dare. In grad school I wrote a short story and dodged a love scene and was teased mercilessly. I was writing with a more literary bent so my friend dared me to get out of my comfort zone and write a romance story saying it would help my other writing. The more I wrote the more fun I had and it turned into Bayou My Love. I fell in love with the characters and didn't want Enza's and Jack's stories to end. So I knew it had to be a series. What do you hope readers will get out of your books? I see mystery, humor, drama, and romance in some combination every day, and those elements are woven into my books. But in the end, I just want readers to enjoy being a part of the world I create. I hope they enjoy the characters and their stories as much as I do. How does the mystical and fiery setting of the Louisiana bayous play into your books? Louisiana has an undeniable fire to it, the Bayou heat. It's mysterious and fascinates me because of its history and blend of cultures, its resilience, its passion for the arts, the connections people have to their histories, and the land. There's beauty, mystery, and heartache just like in every good story. It was the natural setting for Enza's story because she embodies those elements herself even if she doesn't realize it until she's there. In what order should I read the books? Each book can stand alone, but I recommend Bayou My Love to get straight to Enza and Jack's story. Back to Bayou Sabine for a glimpse of how it all started. Bayou Whispers from the Past to see where Enza and Jack's story goes next. Beneath Our Skin, free when you join my mailing list. <http://bit.ly/laurennews> What are your favorite genres to read? Women's fiction, literary fiction, and paranormal romance. I respond to certain things in each genre, whether it's with an unforgettable love scene or the zing of a top-notch metaphor. Ultimately, the books I love best have characters that thrill and haunt me and bring me delight.
