Sir Patrick Bijou

White Slaves In Africa:

White Slaves Sir Patrick Bijou, 2023-10-26 They were of two sorts first such as were brought over by masters of ships to be sold as servants Such as we call them my dear says she but they are more properly called slaves Daniel Defoe Moll Flanders This history of White people has never been told in any coherent form mainly because most modern historians have for reasons of politics or psychology refused to recognise White enslaved people in early America as just that Today not a tear is shed for the sufferings of millions of enslaved white people 200 years of White slavery in America have been almost completely obliterated from the collective memory of the American people Who wants to be reminded that half perhaps as many as thirds of the original American colonists came here not of their own free will but kidnapped shanghaied impressed duped seduced and yes in chains we tend to gloss over it we d prefer to forget the whole sorry chapter Elaine Kendall Los Angeles Times Sept 1 1985 A correct understanding of the authentic history of the enslavement of Whites in America could have profound consequences for the future of the races We cannot be sure that the position of the earliest Africans differed markedly from that of the white indentured servants White Slaves, African Masters Paul Baepler, 1999-05-15 Some of the most popular stories in nineteenth century America were sensational tales of whites captured and enslaved in North Africa White Slaves African Masters for the first time gathers together a selection of these Barbary captivity narratives which significantly influenced early American attitudes toward race slavery and nationalism Though Barbary privateers began to seize North American colonists as early as 1625 Barbary captivity narratives did not begin to flourish until after the American Revolution During these years stories of Barbary captivity forced the U S government to pay humiliating tributes to African rulers stimulated the drive to create the U S Navy and brought on America s first post revolutionary war These tales also were used both to justify and to vilify slavery The accounts collected here range from the 1798 tale of John Foss who was ransomed by Thomas Jefferson s administration for tribute totaling a sixth of the annual federal budget to the story of Ion Perdicaris whose probably staged abduction in Tangier in 1904 prompted Theodore Roosevelt to send warships to Morocco and inspired the 1975 film The Wind and the Lion Also included is the unusual story of Robert Adams a light skinned African American who was abducted by Arabs and used by them to hunt negro slaves captured by black villagers who presumed he was white then was sold back to a group of Arabs from whom he was ransomed by a British diplomat Long out of print and never before anthologized these fascinating tales open an entirely new chapter of early American literary history and shed new light on the more familiar genres of Indian captivity narrative and American slave narrative Baepler has done American literary and cultural historians a service by collecting these long out of print Barbary captivity narratives Baepler s excellent introduction and full bibliography of primary and secondary sources greatly enhance our knowledge of this fascinating genre Library Journal White Slavery in the Barbary States Charles Sumner, 2017-05-29 This controversial oft suppressed work is a fascinating glimpse into the practice of white slavery In White Slavery in the Barbary States captivity expert Charles

Sumner takes a detailed look at the white slave markets which flourished on the Barbary Coast of North Africa which included the Ottoman provinces of Algeria Tunisia and Tripolitania and the independent sultanate of Morocco between the 16th and middle of the 18th century *Barbarian Cruelty* Francis Brooks,2017-08-09 An original eye witness account of white slavery under the Muslims of North Africa It is a simple fact of the anti white establishment that the Trans Atlantic slave trade is known to all but knowledge of the Muslim slave trade in Europeans is deliberately suppressed Europeans are continually blamed for African slavery even though only a tiny minority were ever involved in it and it was Europeans who brought it to an end but no one ever dares blame the Muslim world for their slave trade in Africans and Europeans which lasted for centuries longer than the Atlantic slave trade It was during the 1600s that Barbary corsairs pirates from the Barbary Coast of North Africa today Algeria Libya and Morocco were at their most active and terrible With the full support of the Moorish rulers of North Africa these Muslim slavers raided southern Europe the Atlantic European coast Britain and Ireland almost at will There are sadly no complete records for how many Europeans were captured by the Muslim slavers but most estimates based on the size of the Moorish cities indicate that by 1780 at least 1 2 million Europeans had been seized Very few ever managed to escape and most ended their days dying of starvation disease or maltreatment A tiny number converted to Islam a way of guaranteeing freedom as only kuffars were enslaved and an even smaller number escaped This remarkable book first published in 1693 contains one of the few genuine eye witness accounts written by a white slave who managed to escape Its graphic description of the lot of white slaves the Moorish relations with the Jews of North Africa the conditions of the time and the author's eventual escape cast a dramatic and nowadays oft hidden light upon the time when whites were enslaved *White Slavery in the Barbary States. A lecture before the Boston Mercantile Library Association, etc* Charles SUMNER,1853 *White Slavery in the Barbary States* Charles Sumner,1853 **The Forgotten Slave Trade** Simon Webb,2020-10-30 Everybody knows about the transatlantic slave trade which saw black Africans snatched from their homes taken across the Atlantic Ocean and then sold into slavery However a century before Britain became involved in this terrible business whole villages and towns in England Ireland Italy Spain and other European countries were being depopulated by slavers who transported the men women and children to Africa where they were sold to the highest bidder This is the forgotten slave trade one which saw over a million Christians forced into captivity in the Muslim world Starting with the practice of slavery in the ancient world Simon Webb traces the history of slavery in Europe showing that the numbers involved were vast and that the victims were often treated far more cruelly than black slaves in America and the Caribbean Castration used very occasionally against black slaves taken across the Atlantic was routinely carried out on an industrial scale on European boys who were exported to Africa and the Middle East Most people are aware that the English city of Bristol was a major centre for the transatlantic slave trade in the eighteenth century but hardly anyone knows that 1 000 years earlier it had been an important staging post for the transfer of English slaves to Africa Reading this book will

forever change how you view the slave trade and show that many commonly held beliefs about this controversial subject are almost wholly inaccurate and mistaken

White Gold Giles Milton, 2012-04-12 This is the forgotten story of the million white Europeans snatched from their homes and taken in chains to the great slave markets of North Africa to be sold to the highest bidder Ignored by their own governments and forced to endure the harshest of conditions very few lived to tell the tale Using the firsthand testimony of a Cornish cabin boy named Thomas Pellow Giles Milton vividly reconstructs a disturbing little known chapter of history Pellow was bought by the tyrannical sultan of Morocco who was constructing an imperial pleasure palace of enormous scale and grandeur built entirely by Christian slave labour As his personal slave he would witness first hand the barbaric splendour of the imperial court as well as experience the daily terror of a cruel regime Gripping immaculately researched and brilliantly realised **WHITE GOLD** reveals an explosive chapter of popular history told with all the pace and verve of one of our finest historians

Christian Slaves, Muslim Masters Robert Charles Davis, 2004 In this book Davis uses many new historical sources to re examine one of the least understood forms of human bondage in modern times the systematic enslavement of white Christian Europeans by the Muslims of North Africa s Barbary Coast Far from the minor phenomenon that many have assumed it to be white slavery in the Maghreb turns out in Davis account to have had enormous consequences ensnaring as many as a million victims from France and Italy to Spain Holland Great Britain the Americas and even Iceland in the centuries when it flourished between 1500 and 1800 Whether dealing with the methods used by slavers the experience of slavery or its destructive impact on the slaves themselves Davis demonstrates the many often surprising similarities between this other slavery and the much better known human bondage suffered at the very same time by black Africans in the Americas Back cover

The Slave Trade in Africa Simon Webb, 2023-03-23 Is it true that the trans Atlantic slave trade about which so much has been heard in recent years would have been impossible without the willing and enthusiastic cooperation of African leaders Slavery was a common practice in Africa long before the arrival of Europeans with the trade in black slaves who were transported from Africa to America and the islands of the Caribbean aided by the African traders who benefited from the arrangement Even when Europe and America outlawed slavery and the slave trade those living in Africa clung tenaciously to the old ways and refused to relinquish what was to them a time honored custom Is it for this reason that slavery lingers on in Africa to this day In this book Simon Webb explores the history of slavery in Africa and finds that it was not necessarily imposed upon the continent by Europeans but was rather an integral

part of many perhaps most cultures Even when the British deployed their army and navy to try to suppress the trade in slaves during the nineteenth century their efforts were largely ineffectual because many societies saw no reason to give up such an old useful and profitable system At a time when the subject of the trans Atlantic slave trade is seldom out of the news this book provides a challenge to the popularly accepted view of the matter Nobody reading it will ever view slavery and the slave trade in quite the same light again
