Whole Truth About Islam:

The Whole Truth about Islam Mo Natour, 2017-03-21 This book project which I was privileged to complete is an end result of years of continuous research quest for facts and gathering of accurate events and details that took significant efforts and study The Whole Truth about Islam is a comprehensive book about the Islamic faith it is written specifically for individuals who don't have any knowledge of the religion in a very simple manner which is closer to the western way of thinking so it could be more understandable it could also constitute a great textbook for students and institutions It will familiarize the public with a lot of misunderstood and controversial issues affiliated with the religion and public perception and will be a great and reliability of information for anyone who is seeking knowledge or have any inquiries I had faced all controversial issues head on some of those issues include why do Muslim women conceal their bodies from head to toe the subject of men marrying several wives and also the most controversial issue that is spoken about most commonly in the media or is discussed in the political arenas which is Jihad I've spoken of those subjects thoroughly accurately and with complete knowledge and view of Islam To complete this project I've conducted intensive research and had meetings with many scholars of different faiths to ensure accuracy and authenticity of the entire historical context and all the narrations to ensure the integrity of the facts presented in the material In addition I gave my utmost effort to keep the richness of the text and not to lose any of that in the translation process especially when I used segments of Prophet Muhammad's narrations or verses from the Quran I truly and deeply believe in this book and wish to share it with the public I've titled my book The Whole Truth about Islam that reflects what I had stored in mind of presenting the facts without any confusion and the way they were initially intended to be without any exaggerations or beating around the bush I've divided my book into two parts which can't be isolated from each other the first part was the history of Islam and the second part was a discussion of why Muslims do what they do including all controversial and sensitive issues After going through the entire this journey you will get the whole picture with no stones unturned Enjoy the book

This book project which I was privileged to complete is an end result of years of continuous research quest for facts and gathering of accurate events and details that took significant efforts and study The Whole Truth About Islam is a comprehensive book about the Islamic faith it is written specifically for individuals who don't have any knowledge of the religion in a very simple manner which is closer to the western way of thinking so it could be more understandable it could also constitute a great textbook for students and institutions It will familiarize the public with a lot of misunderstood and controversial issues affiliated with the religion and public perception and will be a great and reliability of information for anyone who is seeking knowledge or have any inquiries I had faced all controversial issues head on some of those issues include why do Muslim women conceal their bodies from head to toe the subject of men marrying several wives and also the most controversial issue that is spoken about most commonly in the media or is discussed in the political arenas which is

Jihad I've spoken of those subjects thoroughly accurately and with complete knowledge and view of Islam To complete this project I've conducted intensive research and had meetings with many scholars of different faiths to ensure accuracy and authenticity of the entire historical context and all the narrations to ensure the integrity of the facts presented in the material In addition I gave my utmost effort to keep the richness of the text and not to lose any of that in the translation process especially when I used segments of Prophet Muhammad's narrations or verses from the Quran I truly and deeply believe in this book and wish to share it with the public I've titled my book *The Whole Truth about Islam* that reflects what I had stored in mind of presenting the facts without any confusion and the way they were initially intended to be without any exaggerations or beating around the bush I've divided my book into two parts which can't be isolated from each other the first part was the history of Islam and the second part was a discussion of why Muslims do what they do including all controversial and sensitive issues After going through the entire this journey you will get the whole picture with no stones unturned Enjoy the book **Islam, the Whole Truth** Ashraf 'Alī Thānvī, Muḥammad Taqī 'Uṣmānī, 2003 **The Whole Truth** Malik Rustam Kayani, 1988 **The Islamic Review**, 1915 *In Pursuit of the Power of Islam* Kalim Siddiqui, 1996

TRAGEDY OF FATIMA DAUGHTER OF PROPHET MUHAMMED Yasin T. al-Jibouri, 2013-10-24 Fatima daughter of the Prophet of Islam did not enjoy this life for long and passed away only few days after the demise of her father She was not sick rather grief and sorrow snatched his soul away This book sheds light on certain historic circumstances as well as on the individuals who were bitter enemies of her husband Ali ibn Abu Talib and who were jealous of his merits and accomplishments The author wrote this book initially in response to another written by someone who cast doubts about certain very serious and shameful facts which the author of this book details He cites numerous references more than three hundred and fifty written by historians and biographers from both branches of the Islamic faith and throughout the Islamic history One who reads this book with an open mind will conclude that Fatima died prematurely and that ironically those who were responsible for her early death have since the very first Islamic century been glorified by the vast majority of the Muslims that even the whereabouts of her grave remain unknown something which she herself desired and planned Who were those people Why did they disrespect the Head of the Women of the World the mother of the two masters of the youths of Paradise and wife of the Prophet's right hand the people who even confiscated her inheritance from her revered father This book answers all these questions and many more Holy Quran Maulana Muhammad Ali, 2011-05-02 The Holy Quran EBook version English Translation and Commentary Detailed commentary with extensive references to standard authorities both classical and modern Comprehensive introduction deals with Islamic teachings and the collection and arrangement of the Holy Quran Extensive Index Reviews There is no other translation or commentary of the Holy Quran in the English Language to compete with Maulvi Muhammad Ali's Masterpiece Al Haj Hafiz Ghulam Sarwar translator of the Holy Quran To deny the excellence of Maulvi Muhammad Ali's translation the influence for good it has exercised and its proselytizing

utility would be to deny the existence of the light of the sun Maulana Abdul Majid Daryabadi leader of Orthodox Muslim opinion in India has all the merits of what is desired in a translation The Anjuman Himayat e Islam Lahore Pakistan By far the best text currently available in the English language incontestably one of the finest interpretations of the sacred scripture of Islam I have no hesitation whatsoever in recommending this translation to students and others seeking to understand the essence and epitome of the Quranic message Prof T Hargery Director African Studies Northeast Missouri State University Kirksville an austere faithful translation in English based on a close study of commentaries of the Qur an the work of my learned name sake Maulvi Muhammad Ali of Lahore The translation and the notes all demonstrate the labour of love and devoted zeal Late Maulana Muhammad Ali Jauhar of The Comrade It is certainly a work of which any scholar might legitimately be proud The Quest London Issues in the Islamic Movement ,1983 **The Philosophy of Islam** Khaja Khan,1903 **The Muslim Review** ,1928 **Freedom, Religion and Reality** G.
