Why Stand Up Matters Comedians Manipulate

Darryl Littleton

Why Stand Up Matters Comedians Manipulate:

Why Stand-up Matters Sophie Quirk, Funny lively and unpredictable stand up comedy is above all a medium to be enjoyed Popular as a good night out and packing the TV schedules stand up permeates British society and culture But ubiquitous though it is we are generally reluctant to consider stand up s social consequences When comedians offend we seem ready to consider the potential for stand up to do some wider harm yet we rarely consider the good that stand up might do This book looks at the social and political impact of stand up comedy in both its positive and negative forms It demonstrates how comedy audiences allow themselves to be manipulated and the potential harm and material benefits that may arise from just being funny

Why Stand-up Matters Sophie Quirk, 2015-11-19 Funny lively and unpredictable stand up comedy is above all a medium to be enjoyed Popular as a good night out and packing the TV schedules stand up permeates British society and culture Ubiquitous though it is we are generally reluctant to consider comedy s social consequences When comedians offend we seem ready to consider the potential for stand up to do some wider harm yet we rarely consider the good that it might do This book looks at the social and political impact of stand up comedy in both its positive and negative forms Drawing on exclusive interviews with comedians such as Stewart Lee Josie Long Joe Wilkinson and Mark Thomas and examples of comic material on everything from revolution terrorism and homosexuality to knitting and the inefficiency of the home shower it explores comedy s role in determining our attitudes and opinions While revealing the conventions comics use to manage audience response Sophie Quirk demonstrates how comedy audiences allow themselves to be manipulated and the potential harm and real benefits that may arise from just being funny

[A Comedian and an Activist Walk into a Bar](#) Caty Borum Chattoo, Lauren Feldman, 2020-03-24 Comedy is a powerful contemporary source of influence and information In the still evolving digital era the opportunity to consume and share comedy has never been as available And yet despite its vast cultural imprint comedy is a little understood vehicle for serious public engagement in urgent social justice issues even though humor offers frames of hope and optimism that can encourage participation in social problems Moreover in the midst of a merger of entertainment and news in the contemporary information ecology and a decline in perceptions of trust in government and traditional media institutions comedy may be a unique force for change in pressing social justice challenges Comedians who say something serious about the world while they make us laugh are capable of mobilizing the masses focusing a critical lens on injustices and injecting hope and optimism into seemingly hopeless problems By combining communication and social justice frameworks with contemporary comedy examples authors Caty Borum Chattoo and Lauren Feldman show us how comedy can help to serve as a vehicle of change Through rich case studies audience research and interviews with comedians and social justice leaders and strategists [A Comedian and an Activist Walk Into a Bar](#) The Serious Role of Comedy in Social Justice explains how comedy both in the entertainment marketplace and as cultural strategy can engage audiences with issues such as global poverty climate change immigration and sexual assault and

how activists work with comedy to reach and empower publics in the networked participatory digital media age Stand-up Comedy, Theology, and Ethics Jacob D. Myers, Nicole Graham, 2025-09-04 Bringing together the distinct but connected disciplines of theology and ethics Stand up Comedy Theology and Ethics adds to the growing field of humor and religion Beginning by re considering what we know about jokes and laughter the authors propose that more attention needs to be paid to the quasi sacramental magical quality of jokes and the ways laughter can shift the affective states of an audience They then turn their attention to key issues and debates within stand up comedy First is the comical legitimacy or illegitimacy of comedians who employ humor ambiguously so that we are not sure at who or what they are punching Second is the phenomenon of canceling comedians for their behavior off stage Third is the sociopolitical possibilities of stand up Ultimately the authors argue that there is theological religious and ethical significance to contemporary stand up comedy

The Politics of British Stand-up Comedy Sophie Quirk, 2018-11-11 This Palgrave Pivot questions how a new generation of alternative stand up comedians and the political world continue to shape and influence each other The Alternative Comedy Movement of the late 1970s and 1980s can be described as a time of unruly experimentation and left wing radicalism This book examines how alternative comedians continue to celebrate these characteristics in the twenty first century while also moving into a distinct phase of artistic development as the political context of the 1970s and 1980s loses its immediacy Sophie Quirk draws on original interviews with comedians including Tom Allen Josie Long John Luke Roberts and Tony Law to chart how alternative comedians are shaped by and in turn respond to contemporary political challenges from neoliberalism to Brexit class controversy to commercialism She argues that many of our assumptions about comedy s politics must be challenged and updated This book is essential reading for anyone who wants to understand the working methods and values of today s alternative comedians *Stand-up Comedians on Television* Museum of Television and Radio (New York, N.Y.), 1996 From Milton Berle to Jerry Seinfeld stand up comics have kept huge TV audiences roaring with laughter for 40 years Honoring this long tradition The Museum of Television Radio presents lively essays and more than 125 photographs focused on stand ups Includes dozens of routines gags stories and patter from such comics as Brett Butler Jay Leno Woody Allen and others **Entertainment Law Reporter** , 1979 *Stevie Ray's Medium-Sized Book of Comedy* Stevie Ray, 1999-05 Focuses on why we laugh what we laugh at and who we laugh at *Comedians* Arthur Grace, 1991 Interviews and photographs of the world s greatest comedians show what it is like for these performers to live as comedian Steve Martin describes it one inch away from disaster all the time **Seeing Solutions** Barbara Ardinger, Ph.D., B. Ardinger, 1989-06-06 Here is an easy to follow program that can help readers solve many of the problems and challenges of everyday life through visualization the New Age practice of picturing positive helpful situations over negative ones to achieve a fuller more stress free life *Advocacy Groups and the Entertainment Industry* Michael Suman, 2000-06-30 Michael Suman has brought together wide ranging viewpoints of media advocates media lawyers academics and entertainment

industry representatives who examine the important public policy issue of how advocacy groups affect the entertainment industry In the first part of the book representatives from media advocacy groups including Action for Children's Television and Population Communications International look at their efforts to utilize the media for policy purposes In the second part attorneys specializing in communications look at the ways advocacy groups have been aided as well as hindered by changes in the laws and public policy Changes in advocacy groups as well as the entertainment industry in general are examined by various scholars in the third section Representatives of the entertainment industry look at the impact of advocacy groups in the fourth section of the book Scholars as well as public policy makers and those involved in entertainment oversight will find this a provocative analysis *Classical Comedy - An Armoury of Laughter, Democracy's Bastion of Defence* Tom

Rothfield,1999-04-15 *Classical Comedy An Armoury of Laughter Democracy's Bastion of Defence* repudiates Aristotle's claim in *Poetics* that tragedy was the jewel of fifth century democracy arguing that the claim belongs to comedy as a brilliantly entertaining defense of social values and standards Tom Rothfield examines every aspect of classicism analyzing comedy's origins and structure to demonstrate the reasons for classical comedy's universal and continued significance He breaks down theatrical mechanisms including the playhouse masks costumes a comedian's comic skills the playwright's inventive genius in plot development character development and effective jokes Through his analysis Rothfield demonstrates the classical framework and classical comic criteria that provides an unrivalled model for contemporary theater *Black Comedians On*

Black Comedy Darryl Littleton,2006-10 Describes the history of Black comedy from slavery through blackface vaudeville and the chitlin circuit to the present interspersing commentary and criticism with interviews with Eddie Murphy Marla Gibbs and Chris Rock **The Argonaut** ,1917 *Mummers in Mufti* Philip Curtiss,1922 *Collier's* Hansi,1917 The Billboard ,1926 *Collier's* ,1917 *Life* John Ames Mitchell,1908 *Life* ,1905

The Enigmatic Realm of **Why Stand Up Matters Comedians Manipulate**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
