Culture Counts Donna Walker Tileston, Sandra K. Darling, 2008 Current models do not address the complexity of achievement gaps among racial and socioeconomic groups As the National Task Force on Minority High Achievement and current assessment data show children of color even those who are not poor often score lower on achievement tests than whites who are poor Culture trumps poverty in its impact on achievement Culture defines what children will focus their attention on how they interpret the world to give it meaning what background knowledge they bring to learning and how they will value that learning The focus of our interventions to close the achievement gap must therefore be to attend to the culture of the learner This book shows how to build the necessary supports to move classrooms from the traditional Eurocentric model to one that respects and incorporates the cultures of the learners **How to Teach Students Who**

Don't Look Like You Bonnie M. Davis, 2012-07-18 Engage diverse learners in your classroom with culturally responsive instruction How to Teach Students Who Don't Look like You helps educators recognize the impact that culture has on the learning process The term diverse learners encompasses a variety of student groups including homeless children migrant children English language learners children experiencing gender identity issues children with learning disabilities and children with special needs This revised second edition reflects the latest trends in education and includes new coverage of standards based culturally responsive lesson planning and instruction differentiated instruction RTI and the Common Core State Standards Bonnie M Davis helps all educators Tailor instruction to their own unique student population Reflect on their own cultures and how this shapes their views of the world Cultivate a deeper understanding of race and racism in the U S Create culturally responsive instruction Understand culture and how it affects learning How to Teach Students Who Don't Look like You provides crucial strategies to assist educators in addressing the needs of diverse learners and closing the achievement gap This book fires up educators by speaking from the soul to reach the heart from the research to engage the mind and from the skillful hand to build the necessary expertise Peggy Dickerson Professional Service Provider Region XIII Texas Education Service Center Austin TX The vignettes and classroom situations help the reader understand how race plays out in our society and in our classrooms Dr Davis takes on a very volatile topic and is able to engage the reader without offending The examples vignettes cases and stories will hook the readers just as they did me Once I began reading the book I could not put it down Ava Maria Whittemore Minority Achievement Coordinator Frederick County Public Schools MD
