Why Do People Hate America:

Why Do People Hate America? Ziauddin Sardar, Merryl Wyn Davies, 2003-03-01 The controversial bestseller that caused huge waves in the UK The Independent calls it required reading Noam Chomsky says it contains valuable information that we should know over here for our own good and the world's We call it our biggest book so far and will be backing it from day one with guaranteed co op spending a national publicity and review blitz talk radio bookings various retail sales aids including postcards and of course the usual full court press on the Web and via email This is NOT just another 9 11 book it is the book for those of us trying to understand why America and Americans are targets for hate Many people do hate America in Europe Asia South America and Africa as well as in the Middle East Ziauddin Sardar and Merryl Wyn Davies explore the global impact of America's foreign policy and its corporate and cultural power placing this unprecedented dominance in the context of America's own perception of itself In doing so they consider TV and the Hollywood machine as a mirror which reflects both the American Dream and the American Nightmare Their analysis provides an important contribution to a debate which needs to be addressed by people of all nations cultures religions and political persuasions and especially by Americans Described by The Times Higher Education Supplement as packed with tightly argued points the book is carefully researched and built to withstand the inevitable criticism that will be aimed at it A book that some reviewers will love to hate and others will praise for its insights it's guaranteed to cause a stir

Why Do People Hate America? Ziauddin Sardar, 2009-09-03 The economic power of US corporations and the virus like power of American popular culture affect the lives and infect the indigenous cultures of millions around the world The foreign policy of the US government backed by its military strength has unprecedented global influence now that the USA is the world's only superpower its first hyperpower America also exports its value systems defining what it means to be civilised rational developed and democratic indeed what it is to be human Meanwhile the US itself is impervious to outside influence and if most Americans think of the rest of the world at all it is in terms of deeply ingrained cultural stereotypes Many people do hate America in the Middle East and the developing countries as well as in Europe Ziauddin Sardar and Merryl Wyn Davies explore the global impact of America's foreign policy and its corporate and cultural power placing this unprecedented dominance in the context of America's own perception of itself In doing so they consider TV and the Hollywood machine as a mirror which reflects both the American Dream and the American Nightmare Their analysis provides an important contribution to a debate which needs to be addressed by people of all nations cultures religions and political persuasions

Does Human Rights Need God? Elizabeth M. Bucar, Barbra Barnett, 2005-08-31 When the Universal Declaration of Human Rights was drafted in 1945 French Catholic philosopher Jacques Maritain observed We agree on these rights providing we are not asked why With the why the dispute begins The world since then has continued to agree to disagree fearing that an open discussion of the divergent rationales for human rights would undermine the consensus of the Declaration Is it possible however that current failures to protect human rights

may stem from this tacit agreement to avoid addressing the underpinnings of human rights This consequential volume presents leading scholars activists and officials from four continents who dare to discuss the why behind human rights Appraising the current situation from diverse religious perspectives Jewish Protestant Orthodox Muslim Confucian and secular humanist the contributors openly address the question whether God is a necessary part of human rights Despite their widely varying commitments and approaches the authors affirm that an investigation into the why of human rights need not devolve into irreconcilable conflict Contributors Khaled Abou El Fadl Barbra Barnett Elizabeth M Bucar Jean Bethke Elshtain Robert P George Vigen Guroian Louis Henkin Courtney W Howland David Novak Sari Nusseibeh Martin Palou Robert A Seiple Max L Stackhouse Charles Villa Vicencio Anthony C Yu

Regimenting Americanism: - A Short Cut into a Dialogical Globe Mohamed BELAMGHARI,2015-04-29 At a time filled with tensions heated disputes and bloody wars nations of the 21st century have become preoccupied with empowering their military foundations and seeking new alliances which would guarantee their triumph in case a third world war is to take place In the middle of these tensions and war mongering attempts the United States of America as usual has to remind the world of its role as the super power and re instigate the world s anxiety by its usual interceding in the international laws or by its military interventions in many places like Iraq Afghanistan or even the Middle East region under the purported noble mission of securing the whole world against terrorists war mongers or drug and arm traffickers Moreover the American unilateral strategies in the world have not only brought into light the American hostility but the world s opposition and an era of turbulence in which wars are being planned behind closed doors and initiated through technological medical and academic institutions Historically after the Second World War especially the Post Cold War when the USSR was defeated the United States of America has come to enjoy an uncontested power and hegemony Obviously the overthrow of communism has launched a diametrically opposed era of unilateral policies advanced by the USA and somewhat moments in which the rest of the world has to express every now and then its anxiety and fear of the giant American guard

End of Days Thomas Spriggs,2008-08-01 Thomas Spriggs takes a fresh look at the fateful period leading up to 9 11 and comes to the conclusion that the destruction of the World Trade center WAS an inside job End of Days describes the ongoing war over faith and the real meaning of the attacks of 9 11

China Views Nine-Eleven Mei Renyi,Yan Xunhau,2020-05-15 The events of September 11 2001 had reverberations which were felt across the world not just in the United States In their aftermath the United States refocused its foreign policies a process that had a major impact upon the Asia Pacific region especially China In this cross disciplinary collection of essays almost two dozen scholars the majority of them from China range across a wide spectrum of issues to address just how Nine Eleven affected the United States globally and at home Different authors discuss non Americans images of the United States the nation s international position and policies the mindset and influence of neo conservatives American internal politics debates over immigration the cultural repercussions of Nine Eleven for television literature drama art and music and the implications

of efforts to commemorate the events of September 11 2001 Uniting all these essays is the effort to view the events of September 11 2001 not in isolation but in a much broader context a framework encompassing the entire sweep of US involvement in the world since the seventeenth century and the country's political intellectual cultural and literary history and traditions The dialogue among them produces a complicated and fruitful dialectical network of cross fertilization across different areas a stimulating and intricate cat's cradle from which the enterprising reader may draw new and profitable intellectual discoveries
