Why Your Best Is Good Enough:

Why Your Best Is Good Enough Dr. Kevin Leman, 2010-03-01 Writing in his well known upbeat style Dr Kevin Leman helps those who struggle with self doubt to value their talents and gifts and accept their shortcomings He points out why the lifestyle we develop as a child determines our degree of success or failure and explains how regardless of the past each person can develop a healthy lifestyle today *O. Henry Memorial Award Prize Stories* ,1921 **Why Can't I Just Be Happy?** Rolf Nabb, 2004-07 Why can't I just be happy We've all asked ourselves this question from time to time and we've all wondered why it's so hard Considering that you probably include yourself in the vast majority of what I'll refer to as us you probably find yourself wondering this from time to time as well From my years of observation and talking to people I've figured out that being a happy person is a pretty easy thing to accomplish if you can just set your sights on the right targets and get your priorities straight Regardless of what misery you've suffered or are suffering if you can just step back and gain a little perspective you'll see that you too can be happy You're much stronger than you think The Gregg Shorthand Magazine ,1916 **The Key to Everything** Matt Keller, 2015-09-29 Change your life when you learn to cultivate the characteristic that is the key to success teachability Charisma wealth power Talent looks smart Charm guts hard work For eons attributes like these have stood as the surest indicators if not outright guarantees of success in life Not anymore While traditional traits still play important roles a lesser celebrated characteristic has risen to the top of the list teachability In today's rapidly changing world making our mark requires an insatiable desire and a tireless willingness to learn to unlearn and to relearn In short success requires teachability In *The Key to Everything* pastor and leadership consultant Matt Keller unpacks the varied aspects of this essential art drawing on ancient wisdom and modern insights from biblical heroes to current influencers such as John Maxwell Seth Godin and Dr Henry Cloud to show you the critical value of learning as if your lives depended on it For two decades Matt has worked with hundreds of influencers and he has learned that the greatest enhancer or greatest limiter to a person's success is whether someone is teachable With a blend of careful scholarship and comedic wit *The Key to Everything* is filled with stories quotes lessons applications and laugh out loud observations that will transform the way you approach life and leadership Teachability isn't something that some people are born with and others aren't it is a characteristic that you can learn and cultivate The only way to succeed in life is to possess teachability in an ever increasing fashion and *The Key to Everything* will help you begin to develop this essential skill **How Why and the Infinite Power of i** Paul Tranter, 2024-09-17 Through *The Omniscience Principle* and *The Power of i* I broke free I battled failure depression and the enormous pressure to succeed for some twenty years I won The experience changed the way I think the way I see the world the way I interact with people the way I work It changed my attitude towards business and the way I live It changed me completely Whatever your personal opinions on the theories paradigms facts and dogma explored in this explosive publication you absolutely unequivocally will not escape the inescapable fact that you'll never think the same
