They are positioned on a flat, dark ground. The sky is a deep orange and yellow, indicating a sunset or sunrise, with some wispy clouds. Wigwam Evenings Charles Eastman:

Wigwam Evenings (Annotated) Charles Eastman, 2015-11-11 These scattered leaves from the unwritten school book of the wilderness have been gathered together for the children of to day both as a slight contribution to the treasures of aboriginal folk lore and with the special purpose of adapting them to the demands of the American school and fireside That is to say we have chosen from a mass of material the shorter and simpler stories and parts of stories and have not always insisted upon a literal rendering but taken such occasional liberties with the originals as seemed necessary to fit them to the exigencies of an unlike tongue and to the sympathies of an alien race *Wigwam Evenings Sioux Folk Tales Retold* Charles

different types each of which has its prototype or parallel in the nursery tales of other nations The animal fables of the philosophic red man are almost as terse and satisfying as those of Aesop of whom they put us strongly in mind A little further on we meet with brave and fortunate heroes and beautiful princesses and wicked old witches and magical transformations and all the other dear familiar material of fairy lore combined with a touch that is unfamiliar and fascinating **Wigwam**

Wigwam Evenings Charles Alexander Eastman, Elaine Goodale Eastman, 1909

Wigwam Evenings Charles Alexander Eastman, 2014-11-11 The cold December moon is just showing above the tree tops pointing a white finger here and there at the clustered teepees of the Sioux while opposite their winter camp on the lake shore a lonely wooded island is spread like a black buffalo robe between the white snow covered ice and the dull gray sky All by itself at the further end of the village stands the teepee of Smoky Day the old story teller the school master of the woods The paths that lead to this low brown wigwam are well beaten deep narrow trails like sheep paths in the hard frozen snow To night a generous fire of logs gives both warmth and light inside the teepee and the old man is calmly filling his long red pipe for the smoke of meditation when the voices and foot steps of several children are distinctly heard through the stillness of the winter night The door flap is raised and the nine year old Tanagela the Humming bird slips in first with her roguish black eyes and her shy smile
