Who Paid The Piper:

Who Paid the Piper? Frances Stonor Saunders, 2000 During the Cold War writers and artists were faced with a huge challenge In the Soviet world they were expected to turn out works that glorified militancy struggle and relentless optimism In the West freedom of expression was vaunted as liberal democracy s most cherished possession But such freedom could carry a cost *Who Paid the Pipers of Western Marxism?* Gabriel Rockhill, 2025-12-01 Who Paid the Pipers of Western Marxism offers a crash course in the history of imperialist propaganda as well as in the Marxist method for analyzing culture and ideology Author Gabriel Rockhill demonstrates the explanatory and transformative superiority of a dialectical and historical materialist approach while elucidating how the world of ideas is a crucial site of class struggle He then engages in a meticulous counter history of the Frankfurt School which made a foundational contribution to Western Marxism by situating it within the global relations of class struggle and the imperialist war on actually existing socialism With the explicit and direct backing of powerful elements in the capitalist ruling class and the world s leading imperialist state the Frankfurt School developed a widely promoted form of compatible critical theory as an ersatz for dialectical and historical materialism The volume concludes by bringing to the fore the positive project that serves as the guiding methodological framework for the work as a whole a thoroughly anticolonial and anti imperialist Marxism dedicated to building socialism in the real world Drawing on extensive archival research to pull back the curtain on ruling class machinations Rockhill s book elucidates how the intellectual world war on the socialist alternative has sought to shore up and promote a compatible left intelligentsia while misrepresenting maligning and trying to destroy the revolutionary left *The Cultural Cold War* Frances Stonor Saunders, 2013-11-05 During the Cold War freedom of expression was vaunted as liberal democracy s most cherished possession but such freedom was put in service of a hidden agenda In *The Cultural Cold War* Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA whether they knew it or not Called the most comprehensive account yet of the CIA s activities between 1947 and 1967 by the New York Times the book presents shocking evidence of the CIA s undercover program of cultural interventions in Western Europe and at home drawing together declassified documents and exclusive interviews to expose the CIA s astonishing campaign to deploy the likes of Hannah Arendt Isaiah Berlin Leonard Bernstein Robert Lowell George Orwell and Jackson Pollock as weapons in the Cold War Translated into ten languages this classic work now with a new preface by the author is a real contribution to popular understanding of the postwar period The Wall Street Journal and its story of covert cultural efforts to win hearts and minds continues to be relevant today
