Stephanie Gonzalez, 2021-06-23 Finding one's identity is not always an easy journey and many times it leads to heartbreak and confusion This world will always attempt to label and place a person into an identity box that limits a person's ability to live free Finding our identity in Christ and in everything He has done for us liberates us to fulfill the calling He has placed on

each and every one of us When we find our identity in the One who never changes we find stability in life and a freedom to fulfill everything in life that we are called to do When we do not find our identity in Him we will be shaken and lost as life changes Finding our true identity should be one of our biggest goals in life Knowing who we are in Christ establishes a foundation for everything in our life to grow on 2 [Who Am I, Lord? Throughout the history of the church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work Knowing Who You Are invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian [Who We Are](#) Jake Doberenz,2021-04-13 Who are you What would you say What would others say The term identity is somewhat of a buzzword in modern culture Everyone is either trying to find theirs embrace theirs or change theirs Too often however we are taught to pursue all the wrong things when it comes to identity For Christians who enter this special society of believers we call the

Church our identity unlike how the world sees it does not come from within but comes from beyond us Christian identity is ultimately rooted in Jesus Christ Jesus transforms who we are But what does it mean to have your identity rooted in Christ Jake Doberenz covers seven key aspects of Christian identity Each element starts with an affirmation of who we aren't identities we sometimes pursue to an extreme because culture our hearts or even the church convince us to Then each of these false pursuits is transformed into an identity that Christ honoring and life giving In the Christian community we are called to embracing aspects of these seven Christian identities to fully live the life Jesus designed us to live So the most important answer to the question of who you are is this Who does God say you are *The Christian Identity, Volume 3* Matt McMillen, 2020-10-20 WHO ARE YOU CHRISTIAN This question is as old as the New Covenant itself From the moment Christ died all of humanity was given the opportunity to know God in a way unlike ever before Jesus death sealed the deal but when He came back to life every person on the planet now had the chance of God making His home inside of them permanently By grace through faith in what Jesus did for our sins we Christians get a brand new identity from the moment we first believe No longer living by rules wasteful efforts or people pleasing we now live and breathe by way of a supernatural relationship with the Spirit of Jesus Christ Unfortunately religious hierarchies who extort Christians our main enemy Satan and the power of sin all want nothing more than for us to not know what the Cross has truly done The spiritual identity of every believer has become heaven ready On the inside we are currently brand new creations Not when our physical bodies die but right now we are new My name is Matt McMillen and over the next thirty days I'll take you on a daily devotional adventure of discovering who you really are as a child of God Christian you will be amazed at what the Cross has done to your identity Thanks for joining me Let's go Who Am I? Penny Wiser White, 2020-06-01 God called me into the ministry of inner healing decades ago and from that came a passion to see people set free in Jesus Christ like I was One of the most troubling concerns in my thirty five years of pastoral lay ministry has been the issue of identity in both men and women Most Christians do not know who they are in Christ to one degree or another We all wear false labels or identities which can lead to a lot of confusion loneliness anxiety failure insecurity depression and fear with a ripple effect that goes into our families and all interpersonal areas of our lives Add to that once Satan can take the child of God down in the area of our image he wins as we become isolated depressed ineffectual in life and ultimately hopeless that we'll never change or our circumstances will never change This false identity also hinders us from putting the past sins hurts and deprivations behind us And since insecurity and fear are at the top of the list for most of us it leaves us not trusting in the One who created us in his image in his likeness to have purpose to serve to love and be loved and to share in the abundant life the Father promised his children The Bible says in John 8:32 So if the Son sets you free you will be freed indeed But it takes identifying what the false labels identity is then removing those labels and walking in the fullness of who our Lord always meant for each of us to be Finding Your Best Identity Andrew Bunt, 2022-11-18 Who are you And how can you find who you are Andrew Bunt has wrestled with these

questions At one point in his childhood he thought he might be a girl in a boy's body As he grew up and discovered he's same sex attracted the world started to tell him that his sexuality is his identity And for many years he believed the lie that he was a freak and a weirdo assuming that's what everyone thought of him In this short Christian introduction to identity Andrew explores and examines different ways we can discover who we are Blending his personal story with careful Bible teaching and genuine cultural awareness this is a book to get conversations going and help us all understand our best identity With questions for discussion and reflection and an application exercise to end the book *Finding Your Best Identity* is a practical and profound introduction to some of the biggest questions we all face **Will God or the World Define You?** David

Blanchard,2023-11-09 God's story is the world's true story and as part of that story He wants our hearts and affections directed toward Him His story is infinite in significance far reaching and deep in meaning and more appealing than any individual story or stories that a person can craft on their own Left to themselves without God a person's story involves falling away from Him and missing their true purpose God's story is a story of creation fall redemption and restoration starring the greatest hero of all time Jesus Christ and through Him it culminates with the family of God being rescued to live eternally with God in a restored perfect sinless world As Christians we are grateful to be saved from that falling away and to be living inside His story instead of one separated from Him Not that our personal stories encompassing our hopes dreams abilities and loves are insignificant to God He loves us and is out for our good Rom 8:28 Our stories are important because He created us to have them and they play a significant part in God's larger story But those stories are to be formed by guided by and lived out through the identity God intends for us **Paul as a Prototype and Entrepreneur of Christian Identity**

Vuyani Stanley Sindo,2024-10-31 In this important addition to Pauline scholarship on 1 Corinthians Dr Vuyani Stanley Sindo brings fresh insight to how Paul's use of the in Christ terminology supports his argument on leadership and community Integrating social identity theory with a socio historical approach Dr Sindo examines how identity discourse is an integral part of the leadership discourse in 1 Corinthians 1:4 From this solid base he provides a close and insightful investigation of the interrelationship between leadership and identity This compelling and biblically rooted work will help Christians to understand the dangers of division within the church and how Christian leaders can overcome these divisions by reminding the community of their common identity in Christ **Who Am I?** Terry Johnson,2020-09-25 Christian Identity can sound like

a strange concept but Terry Johnson rightly points to the importance of defining Christian faith by what the Bible teaches Building on the Scripture teaching of the creation of the human race and the effects of the Fall he shows that we need a proper theologically balanced understanding of the elements of salvation and a clear understanding of how the biblical pictures of the Christian need to be held together How can the Christian be both saint and sinner and an adopted son a servant and a sheep all at the same time How do these images work together to enable us to serve and obey God fully

Many Mansions? Catherine Cornille,2010-04-01 These superb essays explore the phenomenon of individuals who

The Christian's Identity in a Lost World Ashley Mayhon,2017-08-30 Our culture is permeated with the idea that material possessions can ground identity Materialism and similar behaviors are nothing new for Jesus commanded men to guard against such temptations over 2000 years ago Watch out Be on your guard against all kinds of greed life does not consist in an abundance of possessions Luke 12 15 New International Version The person who chooses to ignore this mandate will inevitably be drawn into the deceitfulness of wealth thinking materialism will produce happiness and fulfillment Mark 4 19 Many seeking their identity through the pursuit of material possessions have wandered from what is right the faith

and have pierced themselves with many sorrows 1 Timothy 6 10 Man naturally seeks for identity outside of himself for he was not created to find identity in himself but in God his Creator In observing man s desire for identity some men have exploited other men by tempting them with material possessions for their benefit In fact the New York Times points out that the U S economy is predominantly driven by consumer spending which comprises approximately 70 percent of all U S economic growth and if consumers are to continue to drive the economy they must be in a sound financial position if they become overburdened with debt they are not able to maintain their position as the primary driver of economic growth Stewart 2010 Para 1 In other words manufacturers and those who have a vested interest in driving the economy are to keep consumers right at the breaking point without pushing them over the edge Man will never have identity and lasting contentment until he is reconciled with and walks with his Creator for the natural man is never satisfied Proverbs 27 20 Scripture reveals that Christ followers have dedicated their lives to Christ and not to consumerism materialism humanism or any other ism ideology or philosophy In fact they referred to Him as Lord meaning complete master the authority in which they submitted and laid down their lives Christian Identity & Religious Pluralism Michael Barnes,1989
