Who Are The European What Is Europe Exploring Europes Future:

The European Union and its eastern neighbourhood Mike Mannin, Paul Flenley, 2018-01-17 This volume is timely in that it explores key issues which are currently at the forefront of the EU's relations with its eastern neighbours. It considers the impact of a more assertive Russia, the significance of Turkey, the limitations of the Eastern Partnership with Belarus and Moldova, the position of a Ukraine in crisis and pulled between Russia and the EU, security and democracy in the South Caucasus. It looks at the contested nature of European identity in areas such as the Balkans. In addition, it looks at ways in which the EU's interests and values can be tested in sectors such as trade and migration. The interplay between values, identity and interests and their effect on the interpretation of Europeanisation between the EU and its neighbours is a core theme of the volume.

European Futures Chad Damro, Elke Heins, Drew Scott, 2021-03-30 This edited volume explores the opportunities and challenges facing the European Union in the future from different disciplines and assesses the EU's prospects across various policy areas. Using the European Commission's 2017 White Paper presenting five different scenarios for the future of Europe to 2050 as an organising framework for analysis and debate, the volume reflects upon the drivers of the EU's future including its changing place in an evolving world, a transformed economy and society, heightened threats and concerns about security and borders, and questions of trust and legitimacy. The concluding chapter summarises and compares the findings to determine which of the scenarios is the most instructive to understand and plan European Futures to 2050 and beyond. This book will be of key interest to scholars and students of European integration, EU politics studies and more broadly international relations as well as European policy makers.

Politics and the European Commission Andy Smith, 2004-08-02 The European Commission is an organization which has come to fascinate or repulse a range of national politicians, journalists and social scientists. This book investigates this organization's relationship to politics.
