Who Owns The Arctic Understanding Sovereignty Disputes In The North:

Who Owns the Arctic? Michael Byers, 2010 A topical and informed primer for the most urgent yet least understood geopolitical issue of our time Arctic sovereignty Who actually controls the Northwest Passage Who owns the trillions of dollars of oil and gas beneath the Arctic Ocean Which territorial claims will prevail those of the U S Russia Canada or the Nordic nations and why And in an age of rapid climate change how do we protect the fragile Arctic environment while seizing the economic opportunities presented by the rapidly melting sea ice In the highly readable book Who Owns the Arctic Michael Byers a leading Arctic expert and international lawyer explains the sometimes contradictory rules governing the division and protection of the Arctic and the disputes that remain unresolved What emerges is a vision for the Arctic in which co operation not conflict prevails and where the sovereignty of individual nations is exercised for the benefit of all

Border Disputes Emmanuel Brunet-Jailly, 2015-07-28 An ideal resource for anyone studying current events social studies geopolitics conflict resolution and political science this three volume set provides broad coverage of approximately 80 current international border disputes and conflicts Border disputes are a common source of political instability and military conflict around the globe both in the present day and throughout history Border Disputes A Global Encyclopedia will serve as an invaluable resource for students studying social studies political science human geography or related subjects Each volume of this expansive encyclopedia begins with an accessible introduction to the type of dispute to be discussed identifying the conflict as territorial Volume 1 positional Volume 2 or functional Volume 3 Following the background essay in each volume are comprehensive case study entries on specific international conflicts examining the disputed area the reasons for the dispute and cultural political historical and legal issues relating to the dispute The third volume will also provide primary documents of legal rulings and important resolutions of various disputes as well as profiles of key organizations relating to border studies and specific border dispute commissions Future Security of the Global Arctic

Lassi Heininen, 2016-01-26 In the globalized Arctic there has been a transformation from military security to human security Climate change the utilization of Arctic resources and other global challenges have caused the Arctic paradox and a need to redefine security **Border Politics** Cengiz Günay, Nina Witjes, 2016-12-09 In the light of mass migration the rise of

nationalism and the resurgence of global terrorism this timely volume brings the debate on border protection security and control to the centre stage of international relations research Rather than analysing borders as mere lines of territorial demarcation in a geopolitical sense it sheds new light on their changing role in defining and negotiating identity authority security and social and economic differences Bringing together innovative and interdisciplinary perspectives the book examines the nexus of authority society technology and culture while also providing in depth analyses of current international conflicts Regional case studies comprise the Ukraine crisis Nagorno Karabakh the emergence of new territorial entities such as ISIS and maritime disputes in the South China Sea as well as the contestation and re construction of borders

in the context of transnational movements Bringing together theoretical empirical and conceptual contributions by international scholars this Yearbook of the Austrian Institute for International Affairs offers novel perspectives on hotly debated issues in contemporary politics and will be of interest to researchers graduate students and political decision makers alike

The Canadian Rangers P. Whitney Lackenbauer, 2013-05-01 The Canadian Rangers stand sentinel in the farthest reaches of our country For more than six decades this dedicated group of citizen soldiers has quietly served as Canada's eyes ears and voice in isolated coastal and northern communities Drawing on official records interviews and participation in Ranger exercises Lackenbauer argues that the organization offers an inexpensive way for Canada to show the flag from coast to coast to coast The Rangers have also laid the foundation for a successful partnership between the modern state and Aboriginal peoples a partnership rooted in local knowledge and crosscultural understanding

Historical Dictionary of Canada Barry M. Gough, 2010-10-28 Once on the margins of European empires notably those of France England and Spain then a focus of international rivalries and wars during the 18th century Canada is now a nation that is front and center in the world's affairs Canada's emergence as a modern industrial nation and a key player in the resource commodities and financial institutions that make up today's world shows many aspects of what ex colonial powers have gone through except that compromise and reform rather than revolution and revolt have been the cardinal historical features The second edition of the Historical Dictionary of Canada greatly expands on the first edition through a chronology an introductory essay a bibliography and over 500 cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects This book is an essential guide to the history of Canada
