Why Jesus Rediscovering His Truth In An Age Of Mass Marketed Spirituality:

Why Jesus? Ravi K. Zacharias, 2014-07-01 Ravi takes a scholarly yet imaginative approach to apologetics. The author believes that over the past 40 years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work and teaching of Jesus Christ. In *Why Jesus* Zacharias looks at the impact of this storm. *Why Jesus?* Ravi Zacharias, 2012-01-25 The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work and teaching of Jesus Christ. In *Why Jesus* Ravi Zacharias looks at the impact of this storm by discussing the 60s-70s Age of Aquarius, actor Shirley MacLaine's book and TV series *Out On A Limb*, author James Redfield's *The Celestine Prophecy*, Rhonda Byrne's *The Secret*, Dan Brown's *The Da Vinci Code* and other books by Eckhart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like the belief that we are all gods and have to discover our divinity. Jesus was only a good teacher. Christianity is but one among many ways to eternal life. Reincarnation is real. Jesus was married. Truth is relative. There is no sin and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity. *The Death of Humanity* Richard Weikart, 2016-04-04 A book to challenge the status quo, spark a debate and get people talking about the issues and questions we face as a country. *I Know Whom I Have Believed* Muriwali Yanto Matalu, From foreword This book is a collection of my articles which had been published in theological journals in Indonesia such as *Verbum Christi* and *Jurnal Teologi Reformed Indonesia* (JTRI). There are five articles; some of them are writings on Christian apologetics particularly in a Van Tillian presuppositionalism perspective. These papers are not arranged according to the dates of their publications but they are managed according to the topics in which the apologetics writings are placed in the first three chapters. The significance of Van Tillian apologetics to Muslims is the first chapter, then the second chapter speaking on Christian response to the idea of non-duality of Shankara, the great thinker of Hinduism. The third deals with the value of propositional truths in maintaining Christian faith. The last two papers are first my research on the polemic about the covenant of grace that happened within Reformed Churches in the Netherlands (RCN) in the 1940s and the second discusses about emotion and its relevance to the Christian church today. I would like to thank the editors of *Verbum Christi* and the JTRI for their permission to republish these materials. Also thank to the peer reviewers of both journals who make these papers better and academically suitable. **WHY PROTESTANT BIBLES ARE SMALLER** Steve Christie, 2019-05-23 With over 600 references *Why Protestant Bibles are smaller* defends the Protestant Old Testament canon using mostly Catholic resources.

Master of the Spiritual Science Hadi F. Eid,2013-03-20 Old Christianity has certainly done a great service to this world though skimming over the surface of Jesuss guidelines What is most needed now is a fresh comprehension of his real mind and human saga Rather than reviving primitive Christianity we must go forward from where we find ourselves The Master said it bluntly to his early disciples I still have much more to say to you more than you can now bear But when he the Spirit of the Truth comes he will guide you into all truth Jesuss modern disciples should become in this era of knowledge an overflowing source of inspiration and superior motivation to all men and women Religion is only an exalted humanism until it is made divine by enmeshing the heavenly spirit with the human experience **What Jesus Wants You to Know Today:**

About Himself, Christianity, God, the World, and Being Human Gina Lake,2019-05-20 Have you ever wondered what Jesus would teach today or what he would share about his life two thousand years ago What would he say about how to solve the world s problems or about Christianity What would he say about God being human suffering and the meaning and purpose of life The answers to these questions and others are here in these pages Jesus exists and has always existed to serve humanity and one way he is doing this today is through this channel Gina Lake and others In What Jesus Wants You to Know Today Jesus answers many questions about his life and teachings and shares his perspective on the world He brings his message of love once again to the world and corrects the record by detailing the ways that Christianity has distorted his teachings He wants you to know that you too have the potential to be a Christ to be enlightened as he was and he explains how this is possible Knowing the truth is the beginning of changing the world Too many were and still are living according to false beliefs instead of the truth I came to earth to try to change that to be a voice in a vast desert of misunderstandings and I continue to be a voice for truth to the extent that I can from this dimension I never really left you I have never ceased being in service to humanity and your beautiful planet Jesus **A New Jesus** William H. The Heart of Jesus' Teaching Ruth Whitney, 2016-03-30 In this daring and hopeful book theologian Ruth Whitney calls on Christians everywhere to re awaken to Jesus original message that the presence of the divine is within all of us and all creation we are all sacred Jesus second fundamental message is LOVE we are to love ourselves our neighbors even our enemies all nature and the Holy One with all our heart Jesus lived what he taught and we are encouraged to follow his self less example As a historian of earlier times the author cautions against blindly following established belief systems or dogmas for example she advises we take the Bible seriously but not always literally The author purposefully re awakens discussions that arouse age old historical debates Who really wrote the Gospels How did the original group of Christians develop what were their debates and controversies and what was the role of women And she explores some intriguing questions Was Jesus spiritually but not physically alive after his death Are we all human and divine not just Jesus Do Heaven and Hell actually exist Did Jesus die to save us from our sins ignorance or were we already saved When we live these two basic teachings by seeing the Sacred presence and radiating love Christians and our religion the author proposes will become so spiritually alive that we will naturally begin to transform our world in many both practical and intangible ways and create a revolution of love Endorsements Writing with passion and courage Ruth Whitney sets out to rescue Jesus from what Christianity has become She offers fresh and radical thinking on the meaning of God and afterlife and she shows that Jesus may be the most misunderstood person in history Whitney uncovers the moral and spiritual core of Jesus teaching This book is exciting and freeing Daniel C Maguire Professor of Ethics at Marquette University and author and editor of thirteen books including Whose Church and The Moral Core of Judaism and Christianity Ruth Whitney s new book The Heart of Jesus Teaching is a radical rediscovery of the spiritual essence of Jesus message over against the long Christian history of dogmas about Jesus and his divine nature and redemptive work For Whitney the heart of Jesus teaching is simply that God is present in all of us equally and we are all called to love and care for one another If the Christian churches would put aside dogmas about Jesus and if Christians focus on doing Jesus message the world would truly be transformed Dr Rosemary Radford Ruether theology professor Claremont School of Theology Claremont California
