Why Poor People Stay Poor Urban Bias In World Development:

Why Poor People Stay Poor Michael Lipton, 1977 Monograph on unequal and inequitable income distribution in developing countries argues that the major portion of available capital resources are invested in urban areas to the detriment not only of the rural areas which become steadily poorer but also of economic development in general Diagrams references and statistical tables Why Poor People Stay Poor Michael Lipton, 1989 **Why Poor People Stay Poor** Michael Lipton, 1989 Contents **Why Poor People Stay Poor** Michael Lipton, 1980 **Why Poor People Stay Poor** Michael Lipton (sociologue.), 1977 Urban Bias and Rural Poverty Mike Shepperdson, Michael Lipton, 1979 **Urban Bias and Rural Poverty** Mike Shepperdson, 1981 Beyond Urban Bias Ashutosh Varshney, 1993 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company *Urban Food Systems Governance and Poverty in African Cities* Jane Battersby, Vanessa Watson, 2018-08-22 As Africa urbanises and the focus of poverty shifts to urban centres there is an imperative to address poverty in African cities This is particularly the case in smaller cities which are often the most rapidly urbanising but the least able to cope with this growth This book argues that an examination of the food system and food security provides a valuable lens to interrogate urban poverty Chapters examine the linkages between poverty urban food systems and local governance with a focus on case studies from three smaller or secondary cities in Africa Kisumu Kenya Kitwe Zambia and Epworth Zimbabwe The book makes a wider contribution to debates on urban studies and urban governance in Africa through analysis of the causes and consequences of the paucity of urban scale data for decision makers and by presenting potential methodological innovations to address this paucity As the global development agenda is increasingly focusing on urban issues most notably the urban goal of the new Sustainable Development Goals and the New Urban Agenda the work is timely The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781315191195> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *The Geography of Urban-Rural Interaction in Developing Countries* Robert Potter, Tim Unwin, 2017-10-30 Originally published in 1989 *The Geography of Urban Rural Interaction in Developing Countries* addresses the nature and importance of the interaction between urban and rural areas within Third World national territories providing much needed comparative cross cultural and cross national material The book discusses the various theories of urban rural interaction and summarises the topic in the form of the movement of people goods money capital new technology energy information and ideas Case studies are drawn from different areas of the Third World including Africa Asia the Middle East and the Caribbean and illustrate in detail the nature of urban rural interaction **The Distorted Economy** H. Blomqvist, M. Lundahl, 2002-10-14 An economy does not always work according to idealized textbook models Frequently economic systems are subject to wide ranging distortions and require remedy via subsidy and taxes to restore their social optimum In *The Distorted Economy* Hans C Blomqvist and Mats Lundahl describe how to tackle the various distortions on goods and factor

markets and apply their analytic framework to several case studies such as the trade policy of developing countries apartheid in South Africa and socialist planned economies The authors offer an important and timely analysis of the cause effect and resolution of distortions in the economy **The Companion to Development Studies, 2nd Edition** Vandana Desai,Robert B Potter,2013-01-22 The Companion to Development Studies is an essential one stop reference for anyone with an interest in development studies Over 100 international experts have been brought together to present a comprehensive overview of the key theoretical and practical issues dominating contemporary development studies Building on the success of the first edition the second edition of the Companion has been thoroughly revised and updated and includes new chapters on a range of topics including ageing culture and development corruption and development and global terrorism Each chapter summarises current debates and provides guidance for further reading and research The Companion to Development Studies is indispensable for students of development studies at all levels from undergraduate to postgraduate and beyond in departments of development studies geography politics international relations sociology social anthropology and economics

Metropolitan Governance Vinita Yadav,2014 Metropolitan Governance is an indispensable book for understanding the governance of metropolitan cities The book covers an insight into the governance in Ahmedabad and Hyderabad The participatory metropolitan governance is also of interest to the students of sociology social work and geography The students of public administration would find it useful to study the decentralisation of powers from centre to state to local level government For academicians engaged in service delivery in metropolitan areas it brings in clarity regarding role of varied stakeholders in governance The Urbanization of the Third World Josef Gugler,1988 A collection of readings considering the urbanization of the Third World including questions of migration and the growth and control of urban populations the labour market and unemployment and housing

Peri-urban Water and Sanitation Services Mathew Kurian,Patricia McCarney,2010-08-17 More than 2.6 billion people in the developing world lack access to safe water and sanitation service The Millennium Development Goals MDG target is to halve the number of people without access to a sustainable source of water supply and connection to a sewer network by 2015 That target is unlikely to be met If there is anything that can be learnt from European experience it is that institutional reform occurs incrementally when politically enfranchised urban populations perceive a threat to their material well being due to contamination of water sources *Asian Journal of Women's Studies* ,2001 **Urban Literacy** Unesco Institute for Education,2005 Over 800 million adults worldwide two thirds of them women are unable to reap the benefits of literate expression In this book the author aims to dispel the notion that illiteracy is principally confined to rural areas which has for many years been the main focus of development programmes Through a series of case studies and analysis this book provides a valuable insight into what literacy can mean in an urban setting and explores the many ways it is used to enhance the lives of individuals It highlights the need for greater understanding of the diversity of literacy learning and explores the practical issues in providing assistance to those who

aspire to improve their literacy skills The State and Poverty in India Atul Kohli,1989-03-31 In The State and Poverty in India the author argues cogently that well organised left of centre parties in government are the most effective in implementing reform **Space of Land Degradation** Dhanawardana Gamage,1996 **Urban and Regional Planning Problems in Nigeria** Josephine Olu Abiodun,1985
