Why Todays Church Is More Of A Concubine Than A Bride:

Why Today's Church Is More of a Concubine, Than a Bride K. J. Dumpson, 2014-04-15 This book offers KJ's inimitable style of taking the spiritually complicated and hidden and breaking it down and making it plain through his use of analogies This book speaks of the current state of the church in these last days The use of the bride and concubine comparisons allow for a clear view of the contrast in the relationships in the natural as well as the spiritual Once again he causes the reader to utilize their own minds eye to capture a vivid image that will commit the lessons to memory for a life time

The Lord's Recovery Witness Lee,2024-07-04 What is the Lord s recovery It is not so easy to answer this question First of all we must see the real significance of the word recovery It means that something was there originally yet it became lost Now it must be recovered Hence when we speak of the Lord s recovery it means that the Lord had certain things in the beginning which at a certain stage became lost Now He must recover all the things that have become lost The first of those things is the matter of life The Lord s recovery today is first to recover the matter of life The Lord s recovery is also to recover the matters of the Spirit and the church In a general way these terms are familiar to most Christians but their real significance has been lost Finally the Lord s recovery is to recover the matter of the kingdom which is constituted with life the Spirit and the church Although the crucial aspects of these matters have been lost year after year the Lord has been recovering them This is His recovery

Good News for Latter-Day Saints (Mormons) Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the

entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next

The King's Concubine Jm Howard,2009-08-20 Book 2 of Edmond and Arabella's Story Trapped in a world of a corrupted and cruel king Arabella is forced to endure his wrath and manipulation Lord Peter Evanston has given up everything to do all he can to be of some comfort to her during this dark time in her life while keeping King Eric from killing her with his fits of anger Meanwhile Edmond has returned home to Arminia and has done as Arabella wanted He is now engaged to the Countess D Winter even though the only one he can ever love is the one woman he can never have Yet he loves her so much that he is willing to do this to make her happy despite the misery it leaves in his heart However a small glimmer of hope comes when King Eric brings Arabella back to Arminia for the King's Tournament It is the hope of helping her to leave such a cruel and dark world behind But can he do this when she is so well guarded and now that she is too afraid to leave the prison of malice that Eric has her in Or will Eric succeed in using Arabella to bring down King Kendrick and Edmond both by using her to seduce them into his plans

Remains of the Past in Old English Literature Jan-Peer Hartmann, 2025-02-11 Argues for a new understanding of Old English responses to materiality and historical change Human communities have interacted with the material remains of earlier periods for millennia Such archaeological objects including bones coins weapons building materials and architectural landmarks were physically handled reused transformed and reinterpreted they were also depicted in literature This book examines how Old English texts imagine such human encounters with the remnants of the past It explores Elene's perspective on the discovery of the True Cross as a narrative of political spiritual and epistemic translatio and the multiple ways in which The Wanderer and The Ruin use images of ruins and the poetic formula work of giants to construct an unknown and unrecoverable past it also considers the engagements with untimely objects in Beowulf and the Anonymous Old English Legend of the Seven Sleepers and how the Ruthwell Cross Poem and The Dream of the Rood play off figural against literal history As this study demonstrates Old English texts combined and creatively adapted a broad variety of ways of conceptualizing not merely history but indeed the very processes by which historical thought operates Its careful readings show that these texts not only display a deep and conflicted understanding of the philosophical implications

of viewing history and temporality through the prism of material objects but also exhibit a powerful capacity for expressing such an understanding through aesthetic strategies

The Bayeyi of Ngamiland Thomas John Larson,1992 *Women in Scripture* Carol Meyers,Toni Craven,Ross S. Unmarriages Ruth Mazo Karras,2012-03-19 The Middle Ages are often viewed as a repository of tradition yet what we think of as traditional marriage was far from the only available alternative to the single state in medieval Europe Many people lived together in long term quasimarital heterosexual relationships unable to marry if one was in holy orders or if the partners were of different religions Social norms militated against the marriage of master to slave or between individuals of very different classes or when the couple was so poor that they could not establish an independent household Such unions where the protections that medieval law furnished to wives and their children were absent were fraught with danger for women in particular but they also provided a degree of flexibility and demonstrate the adaptability of social customs in the face of slowly changing religious doctrine *Unmarriages* draws on a wide range of sources from across Europe and the entire medieval millennium in order to investigate structures and relations that medieval authors and record keepers did not address directly either in order to minimize them or because they were so common as not to be worth mentioning Ruth Mazo Karras pays particular attention to the ways women and men experienced forms of opposite sex union differently and to the implications for power relations between the genders She treats legal and theological discussions that applied to all of Europe and presents a vivid series of case studies of how unions operated in specific circumstances to illustrate concretely what we can conclude how far we can speculate and what we can never know

Marriage Customs of the World George Monger,2004-11-23 Publisher Description [Asatru: The Old Ways for Today](#) Robert Sass,2019-01-09 Robert Sass has been studying and practicing Heathenry for twenty years The goal of this book is to educate Heathens on how to do Heathenry based on a historical perspective first How to do Sumble and Blot based on historical passages as well as educating Heathens on the various Germanic Heathen calendars that survived from the 8th 9th and 10th centuries Truly bringing the Old Ways into Heathenry based on solid research as opposed to just saying We do the Old Ways If this book does not have at least ten times as many historical sources Edda and Saga passages quoted than any other Asatru 101 book on the market I will be most disappointed I quote sources left and right Studying where our Ancestors left off is essential **The Beauty of Chastity** Ev. Paul Mukendi,2020-01-07 A woman had been caught in the act of adultery and she was brought to Jesus While Jesus dealt with the sensitive issue of sexual sins he did not speak loudly and make a long sermon but quietly wrote it down Sometimes honest words that are of a sensitive nature should rather be written down than said We are aware that sexual matters are not comfortable topics to deal with as most people treat them with social stigmas yet we must be diligent to address them thoroughly with the help of the Holy Spirit These teachings might make someone feel uncomfortable yet they are one of the most noteworthy teachings of the Bible The extent and variety of sexual sins are rapidly increasing in our sophisticated societies so the need has arisen to present sound biblical teachings on sexuality Many people may find themselves victims of sexual sins because they are ignorant Hence the Bible says you will know the truth and truth shall set you free The purpose of these teachings is not to embarrass anyone but to help people discover the truth This book on chastity seeks to help both married and single people find the necessary motivation to pursue sexual purity in a perverted world it addresses many sexual problems and objections frequently found in our society Young people for whom this book was mainly written are shown how to live the charisma of virginity and celibacy charismatically that is as a gift in all humility with joy and perfect freedom
