*Basics of a Roman Catholic Theology* William A. Van Roo,1982 The author says what I say here briefly will be found stated and elaborated at appropriate places in the course of the book But anyone who considers reading a book has a right to know some things before he or she decides whether the book id worth looking into I gather here such helpful information First a few words about the title of the book Some may be

shocked or repelled or both by the qualification Roman Catholic So I shall try to provide a shock absorber I Entitle the book as I do simply to be coherent with my conception of what theology is and my intention to set forth some basics of the theological works which I myself project As I understand it theology is the effort to understand within a life of faith As a work it is the result of that effort The matrix the living setting in which alone a theology can develop is religious experience of the theologian within his or her community of believers Outside or apart from such a concrete setting no one can reflect in any meaningful way on the structures of such experience and of the experienced reality I cannot therefore write a book of basics of theology in general for I have no experience of what it is to be a Jew or a Moslem for example and I could say nothing which would have any claim to account for Jewish or Moslem theology *The Publishers Weekly*, 2000 Faith Basics: Serving Two Masters. Why Catholics Still Can't Be Masons Deacon Dominic Cerrato ,2016-01-01 No one can serve two masters Jesus told us for he will hate the one and love the other Mt 6 24 Freemasonry in its beliefs and practices sets itself up as another master in opposition to Christ Learn why the Catholic Church has forbidden participation in this secret society for centuries in Serving Two Masters About the Series Faith Basics The Faith Basics series is about living life well The booklets cover those topics of the Faith that most directly relate to the practical Catholic Written for the person spread a bit too thin the booklets are easily readable coving the fundamentals in few words while both informing and inspiring busy people to understand and live the Faith Their convenient size makes them readily portable by purse or pocket They are economically priced ideal for distribution in evangelization efforts RCIA classes study groups and outreach programs

What Do We Believe? Why Does It Matter? Jeff Astley, 2016-04-30 What do We Believe Why Does it Matter provides a general introduction to the basic beliefs of Christian theology together with their significance for Christian worship living and thinking and the intellectual problems they raise *The Church Quarterly Review* Arthur Cayley Headlam (Bishop of Gloucester), 1929 The Ongoing Renewal of Catholicism Brennan Hill, 2008 Broad Engaging Accessible Appealing These are just a few of the words reviewers used to describe The Ongoing Renewal of Catholicism In The Ongoing Renewal of Catholicism Professor Brennan Hill has provided a wonderfully engaging progressive look at Catholic theology for today Dr Hill s discussion introduces to readers the foundations of Catholic thought follows the development of that thought and looks closely at the issues of today s world and Catholicism s response While firmly rooted in the Catholic tradition the author takes an ecumenical approach by incorporating teachings and insights from other Christian churches and world faiths
