Wife Pegs Husband:

His Studio Wife V. Jane Gordon, 1928 Lear Edward Bond, 1978 In this play of shattering power an authoritarian monarch is overthrown by his daughters who in turn find the possession of power to be fatally evil I have all the power and yet I am a slave In a popular insurrection a peasant woman takes power and becomes even more cruel As the play ends another insurrection is in preparation and it is clear that the brutal cycle will endlessly repeat itself Publisher's description

Bond Plays: 2 Edward Bond, 2014-01-01 The internationally acclaimed dramatist Edward Bond endures as one of the towering figures of contemporary British theatre His plays are read at schools and university level Edward Bond is the most radical playwright to have emerged from the sixties Lear Bond's greatest and biggest play It is even more topical now and will become more so as man's inhumanity gains subtle sophistication with the twenty first century's approach The Times The Sea It blends wild farce with tragedy and ends with a sliver of hope what makes the play fascinating is Bond's bleak poetry and social comedy Guardian Narrow Road to the Deep North His best piece so far No one else could have written it The Times Black Mass written for performance at an anti apartheid demonstration A Georg Grosz picture come to life the only possible kind of artistic imagery through which to speak of such evil Listener Passion a play for CND Mingles comedy and high anger with absolute sureness Guardian Edward Bond is one of our outstanding playwrights He is already an acknowledged classic Plays and Players *The Old-fashioned Woman* Elsie Worthington Clews Parsons, 1913 *Indian*

Antiquary, 1924 At a time when each Society had its own medium of propagation of its researches in the form of Transactions Proceedings Journals etc a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects This encouraged Jas Burgess to launch the Indian antiquary in 1872 The scope was in his own words as wide as possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of India Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West Indian antiquary also dealt with local legends folklore proverbs etc In short Indian antiquary was entirely devoted to the study of MAN the Indian in all spheres Introduction to facsimile volumes published 1985

The Old House in Picardy Kathleen O'Meara, 1887 Do What You Love Miya Tokumitsu, 2015-08-11 The American claim that we should love and be passionate about our job may sound uplifting or at least harmless but Do What You Love exposes the tangible damages such rhetoric has leveled upon contemporary society Virtue and capital have always been twins in the capitalist industrialized West Our ideas of what the virtues of pursuing success in capitalism have changed dramatically over time In the past we believed that work undertaken with an ethos of industriousness promised financial stability and basic comfort and security for our families Now our working life is conflated with the pursuit of pleasure Fantastically successful and popular entrepreneurs such as Steve Jobs and Oprah Winfrey command us You've got to love what you do Jobs tells an audience of college grads about to enter the workforce while Winfrey exhorts her audience to live

your best life The promises made to today s workers seem so much larger and nobler than those of previous generations Why settle for a 30 year fixed rate mortgage and a perfectly functional eight year old car when you can get rich becoming your best self and have a blast along the way But workers today are doing more and more for less and less This reality is frighteningly palpable in eroding paychecks and benefits the rapid concentration of wealth in the hands of a tiny few and workers loss of control over their labor conditions But where is the protest and anger from workers against a system that tells them to love their work and asks them to do it for less While winner take all capitalism grows ever more ruthless the rhetoric of passion for labor proliferates In *Do What You Love* Tokumitsu articulates and examines the sacrifices people make for a chance at loveable self actualizing and of course wealth generating work and the conditions facilitated by this pursuit This book continues the conversation sparked by the author s earlier Slate article and provides a devastating look at the state of modern America s labor and workforce The Family Elsie Worthington Clews Parsons,1908 **Transactions and**

Wood,2023-07-10 In the second volume of *The Uncivilized Races of Men in All Countries of the World* J G Wood delves into the ethnographic study of various indigenous cultures exploring their social structures traditions and interactions with the encroaching modern world Written in the 19th century Wood s literary style combines vivid descriptive prose with a scientific rigor typical of the Victorian curiosity about human diversity He employs detailed observations reflective insights and an often romanticized narrative to portray the lives of these uncivilized peoples challenging readers to reconsider their preconceptions about civilization and cultural hierarchy J G Wood was a prominent naturalist author and educator whose passion for exploration and anthropology profoundly shaped his works His experiences as a natural historian combined with his deep rooted interest in the complexities of human cultures inspired him to produce comprehensive studies that resonate with the socio political dynamics of his time Wood s writings reflect the period s fascination with the exotic yet they also resonate with the underlying tensions stemming from colonial attitudes and the quest for a deeper understanding of mankind s varied expressions This volume is essential reading for scholars and enthusiasts of anthropology history and colonial studies Wood s blend of narrative and scholarly inquiry invites readers into a complex dialogue about race culture and civilization As such it serves not only as a historical document but also as a catalyst for contemporary discussions on cultural diversity and the ethical implications of Western perceptions of the other *Encyclopaedia of Folklore and*
