Revelation, Mystical Phenomena and Divine Promises Deacon Albert Graham,2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the

identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God The Catholic Library World ,1952 **Sangre de Cristo Newsnotes** Daniel E. Jones,1987 **The Incorruptibles** Joan Carroll Cruz,1991-11 Continuously popular since it first appeared in 1977 The Incorruptibles remains the acknowledged classic on the bodies of Saints that did not undergo decomposition after death many remaining fresh and flexible for years or even centuries After explaining both natural and artificial mummification the author shows that the incorruption of the Saints bodies fits into neither category but constitutes a much greater phenomenon which is unexplained by modern science even to this day The author presents 102 canonized Saints Beati and Venerables summarizing their lives the discovery of their incorruption and investigations by Church and medical authorities The incorruptible bodies of saints are a consoling sign of Christ s victory over death a confirmation of the dogma of the Resurrection of the Body a sign that the Saints are still with us in the Mystical Body of Christ as well as a proof of the truth of the Catholic Faith for only in the Catholic Church do we find this phenomenon **The Irish Monthly** ,1953 General catalogue of printed books British museum.
