Your Sleepless Baby The Rescue Guide Your Baby:

Your Sleepless Baby Rowena Bennett, 2014-12-12 Being a parent is like being on a roller coaster ride There are plenty of ups and downs enjoyment and frustrations As a parent I have experienced my share of testing times along with the many joys of parenting The most challenging times were when my children were babies toddlers and teenagers I was already a registered nurse and midwife by the time my children came along As a result of having personally experienced the demoralising effects of post natal depression I wanted to help others who found the early years of parenting a struggle and so I decided to train as a mental health nurse and later as a child health nurse and lactation consultant For the past 17 years I have been employed as a child health nurse in an early parenting residential centre where my role primarily involved assisting parents to resolve complex baby and toddler care problems I know that the families who gain admission to these centres are only the tip of the iceberg There are countless other parents out there desperately searching for answers to their child's feeding or sleeping problems About 10 years ago I started an online parenting consultation service BabycareAdvice.com I have enjoyed a high success rate and a great deal of pleasure assisting parents world wide to find solutions to baby or toddler care problems that match their circumstances Problems that their local healthcare providers were in many instances unable to resolve The reason for my success is because my expertise lies in resolving behavioural problems the most common of all problems experienced by healthy babies and toddlers I knew I could reach more parents through books than individual consultations In 2012 I published *Your Sleepless Baby The Rescue Guide* the first of what will become a series of baby care books After 37 years as a nurse I now live and work from home on the glorious Sunshine Coast of Queensland with my husband Bruce and dog Ruby Bruce and I have the time to enjoy our children and grandchildren who visit regularly We get to reap the rewards for being parents and the joy of being grandparents *Your Baby Manual* . . . Dr. Brian Symon, 2016-04-19 Parenting is an experience that can be joyous rewarding and deeply fulfilling Caring for a newborn or toddler can surpass any other experience in life it can be intense and raise powerful emotions that parents will remember forever **Oh Baby!**

A Mom's Self-Care Survival Guide for the First Year Maria Lianos-Carbone, 2018-03-01 You read all the birthing books took the Lamaze classes and made it through labor mostly unscathed but now the baby is home and it's a whole new ballgame There are plenty of books and resources about how to properly care for your new baby but what about caring for yourself Maria Lianos Carbone founder of AMotherWorld.com outlines the proper care and feeding of mothers during their baby's first year with humor and honesty From the physical and emotional changes a new mom will undergo to rekindling intimacy with her partner Oh Baby Mom's Survival Guide for the First Year keeps the focus on moms because you can't draw water or breastmilk for that matter from an empty well Maria's straight talking no nonsense approach will give new moms everything they need to survive as they embark on the journey of motherhood This book is not affiliated with or endorsed by Hestia International Inc the trademark owner and publisher of Oh Baby Magazine in Canada [The Complete Guide to Old](#)

English Sheepdogs Malcolm Lee, 2020-11-23 The PERFECT guide for any new Bobtail owner Learn everything you need to know including Preparing your home for a Sheepdog Training during the first few weeks Proper Nutrition and Diet for a Sheepdog Avoiding the common mistakes most new Old English Sheepdog owners make Exercise tips and Socialization ideas See an Old English Sheepdog in the show ring with its immaculately groomed flowing coat and it s hard to imagine the hard knock life for which they were originally bred Beneath all that fur and abundant fringe there lies the heart and soul of a working dog Big boned and robust the Old English Sheepdog is never happier than when at the center of attention or in the middle of the action First appearing in the mid 1700 s this comparative newcomer to the canine world was originally bred for the tough life of a drover in Southwest England Here they were responsible for driving sheep and cattle to market It was at this time that they picked up the nickname Bob Tails because of their docked tails which identified them as working dogs and allowed their owners to avoid paying pet tax Tasked with guarding and moving sheep and cattle across windswept moors and dales they are doubly blessed with brain and brawn Their loyalty and companionship are beyond reproach but it is the breed s sense of fun that is as strongly imprinted in their DNA as their instinct to herd The Old English Sheepdog is often called the clown prince of dogs which is a great indication of the indelible imprint he leaves on owners and breeders alike A large breed adult Old English Sheepdogs reach around 21 22 at the shoulder and weigh as much as 80 pounds Hugely affectionate and attention seeking they will never be far from their owner s side So if personal space is high on your list of priorities this may not be the ideal breed for you As long as an OES is part of the family it doesn t matter if you live in a penthouse or a farmhouse What does matter though is exercise and lots of it Be aware this love of human company also means that your new best friend will not make a good yard dog Everything about this breed is larger than life from their abundant shaggy coat to their outgoing quirky character They also live to around 12 years of age so making this affable breed of dog a member of the family is a long term commitment For all these reasons knowledge of this large breed is essential before committing to welcoming one into your family Are you intending to go down the puppy route or maybe offering a loving home to a rescue dog Then the chapters of this guide will provide you with all the information you need to get the best from your big bouncy bob tail
